The thesis work could only be possible by the grace of Almighty “GOD” and blessing of people around me.

It gives me immense pleasure to put on records my sincere gratitude and profound indebtedness towards my supervisor and Head Prof. Vivek K. Gupta, Department of Physics and Electronics, University of Jammu, Jammu. I fail to find appropriate words for expressing my sincere feelings and thankfulness to him. In fact without him, this work could not have been executed.

I am thankful to Prof. Rajni Kant, Department of Physics and Electronics, University of Jammu, Jammu for his guidance, valuable suggestions and fruitful collaboration throughout my research work.

I express my sincere thanks to Prof. Anju Bhasin, former Head, Department of Physics and Electronics, University of Jammu, Jammu for providing the research facilities required to complete my research work.

In pursuing my doctoral thesis I am indebted to the Department of Physics and Electronics, University of Jammu for providing me all the necessary facilities to pursue my research work. Besides, this I am thankful to UGC for providing the fellowship under Faculty Improvement Programme. I am also thankful to Department of Higher Education, Government of Jammu and Kashmir to allow me to avail the UGC fellowship. My sincere thanks are due to Dr. Banwari Lal Gupta, Principal GDC Kathua and Dr. Nater Singh Raina, former Principal GDC Kathua to encourage me time to time.

My sincere thanks are due to Prof. Goutam Brahmachari, Laboratory of Natural Products & Organic Synthesis, Department of Chemistry, Visva-Bharati University, Santiniketan, West Bengal; Dr. R. N. Jadeja, Department of Chemistry, Faculty of Science, The M. S. University of Baroda, Vadodara; Dr. Bhawal Ali Shah, Indian Institute of Integrated Medicine, Jammu, Jammu and Kashmir, for providing the samples whose three-dimensional crystal structures have been reported in this thesis.
I am very much thankful to Dr. Pankaj Bandhoria, Assistant Professor GGM Science College, Jammu; Dr. Suram Singh, Assistant Professor GDC, Kathua and Dr. Sabeta Kholi, Lecturer in State School Education Department, Government of Jammu and Kashmir, for their encouragement, kind suggestions and valuable support.

My sincere thanks are due to Dr. Deepak Sharma, Dr. Sumati Anthal, Dr. Kuldeep Singh, Miss Dalbir Kaur, Mr. Balbir Kumar, Mr. Suresh Sharma and Miss. Sakshi Sharma for their kind help and cooperation during this work. I am highly thankful to my friends, Mr. Dhanvir Singh, Mr. Ranjeet Singh and Mr. Hans Raj Andotra for their best wishes and moral support. I also take this opportunity to thank all the members of administrative, non-teaching and technical staff of the Department for their timely help during the period of my research work.

No words could express my sincere gratitude towards my Father and Mother, the very source of my being and without whose sacrifices I would not have been where I am today. I take this opportunity to thank my elder brothers, Mr. Rajesh Sharma and Mr. Rakesh Sharma, my sister-in-laws, Mrs. Asha Sharma and Mrs. Rita Sharma, my sister Mrs. Anu Khajuria, brother-in-law Mr. Rajesh Khajuria. I must admit that without their benevolent support, this work would not have been successfully completed. The loving and charming face of my little daughter Meehul, niece and my nephew is always a source of relief in my dismal situation. I would love to dedicate this piece of work to my family.

Last but not least, I record a special note of admiration and gratitude for my wife Arti Sharma. Her patience, co-operation and understanding paved the way to achieve this academic goal.
