ACKNOWLEDGEMENTS

I thank the almighty for blessing me with a kind hearted guide Dr. (Miss) J. Bhullar, Professor, Department of Physical Education, Panjab University, Chandigarh, without whose guidance, constructive suggestions, incisive criticism and personal interest the project could not have been completed in time.

I am thankful to Dr. S.N. Sharma, Reader, Department of Physical Education, Panjab University, Chandigarh for his valuable help and guidance.

I would also like to express my thanks to the Principals, Headmasters, Physical Education teachers and students of various schools of Himachal Pradesh for their full co-operation and help without which it could not have been possible for me to gather information regarding the present study.

My thanks are also due to Mr. S.K. Mahindru, Consultant, Centre for Computer Science and Application, Panjab University, Chandigarh who helped in the processing of statistical data.

I express my gratitude to Mr. I.M. Soni, former Chairman, Department of Mass Communication, Panjab University, Chandigarh for editing the manuscript of my thesis.
I express my sincere thanks to my elder brother, Mr. Suresh Kumar and younger brother, Mr. Surender Kumar for their valuable help in multiple ways.

My special thanks are also due to my friends - Anita Thakur and Angmo for their timely co-operation and help throughout the study.

I express my indebtedness and appreciate the library staff of the Panjab University, Chandigarh, LNCPE, Gwalior, Himachal Pradesh University, Shimla for extending all co-operation in consulting the research literature.

Last but not the least, I express my sincere thanks to S. Trilochan Singh who put in strenuous efforts to bring out the presentable print of this thesis.
