Acknowledgements

It gives me an immense debt of gratitude to express my sincere thanks to my esteemed supervisor Dr. Piyush Malaviya, Sr. Assist. Prof. for his exemplary, inexhaustible, right guidance, constant encouragement, patience and also the sense of critical examination of thesis which led the present work to its fullest accomplishment. I value his concern and support at all the times, good and bad.

With great pleasure, I thank Prof. R.K. Rampal, Head, Department of Environmental Sciences, University of Jammu, for providing the necessary guidance, cooperation and for providing the adequate facilities in the department.

I feel complacent by placing on record, my sincere thanks to Prof. S.P.S. Dutta, Prof. Anil K. Raina, Dr. Sanjay Sharma, Dr. Deepika Slathia, Mr. Rakesh Atri and Dr. Meenakshi, Department of Environmental Sciences, University of Jammu for their help and guidance in one way or another.

I gratefully acknowledge Dr. Asha Singh (-2 Lecturer) for her advice, supervision, and crucial contribution by using her precious times to make critical comments and valuable suggestions. I also extend my sincere thanks to Dy.S.P. Swati Sharma and co-scholars Akriti, Smiley, Dr. Neha for their cooperation, cordial support, valuable information which imparted vital enthusiasm in me, and helped me in completing this task through various stages.

I remain thankful to the librarian, office staff and other non teaching staff for their help and timely support during my research period.

I am grateful to the management, staff members and workers of M/s Jay Dee Leathers (P) Ltd., Leather Complex, Kapurthala Road, Jalandhar, Punjab for their help and co-operation.

I am highly thankful to Dr. Sahwney, Head, Directorate of Agriculture, Talab Tillo, Jammu who provided necessary facilities for soil analysis.

It’s my pleasure to acknowledge Head, Department of Environmental Sciences, Govind Ballabh Pant University of Agricultural Sciences and Technology (G.B.P.U.A.T), Pant Nagar, for providing the facilities of AAS for heavy metal analysis.
I am also thankful to **Mr. Rohan** for meticulous typesetting of this manuscript.

Of course, no acknowledgement would be completed without giving thanks to my **parents**. They deserve special mention for their inseparable support, best wishes, prayers, moral help and encouragement that enable me to undertake my higher studies. Words fail me to express my appreciation for them. I am also thankful to my **family members** for their guidance and support.

Finally, I would like to acknowledge the person who mean world to me, my much loved husband **Mr. Sanjeev Verma** for his faith in me and allowing me to be as ambitious as I wanted. His unconditional support, during my degree needs special appreciation. In particular, the patience and understanding shown by him during the years is greatly honored. I want to thank my **mother-in-law** for her co-operation. I have no words to express my love and gratitude for my little son **Arya** for all the good moments and cheerful mood he has brought to me and has adjusted my absence from him during this period.

I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

Finally, I would like to thank **Almighty God** for his grace on me for giving me the strength and patience that I have been able to complete this task.
