Sub: Permission to find out The Norms on Volleyball players.

Respected Sir,
I Rahul R. Bhosale currently am working as Physical Education Teacher in Hutchings High school & Junior College, Pune.

Due to the keen interest in Volleyball, I have decided to conduct a research in the field of Volleyball. I am conducting a Ph. D. on senior volleyball players and hence would like to have a favour from you. As a part of the study I have to find out the norms on players.

It is nowhere that I would find such qualified and large sample at one time, so I would like you to permit me to conduct the tests on the students attending various state level competitions in Maharashtra.

The topic of the study is, “Development of norms for selection of senior volleyball players in Maharashtra” The research is going to help for selection of senior volleyball players of Maharashtra.

I would like to personally meet you regarding the same matter and soon will be coming to competition. I know these things have to be personally discussed, but this is just to inform you and give you an idea about my humble request.

Hoping for your kind consideration. Thanking you.

Yours faithfully

Rahul R. Bhosale.
