Acknowledgements

The research scholar is indebted to the University of Pune for giving the opportunity to work on the study and for the valuable impetus and facilities made available to him for carrying out this study successfully. The investigator expresses his deep sense of gratitude to his research guide, Dr M. S. Khetmalis, for his generous advice, competent guidance, encouragement and invaluable help in formulating and successful completion of this study. The investigator is indebted to him to an extent and hereby expressed his sincere sentiment of gratitude and thanks to him.

The investigator also expresses his sincere thanks to the Principal and other Staff of Hutchings High School, Pune for rendering their support in the completion of the study. The investigator is also thankful to Maharashtra State Volleyball Association for according kind permission and providing cooperation to conduct this study. The investigator gives forth his earnest and a whole hearted feeling of thankfulness and his well wishes to all who have directly or indirectly co-operated in completing this investigation successfully. The investigator is grateful to all the players who willingly helped by devoting their time and getting involved in the testing performed for his research.

Deep sense of gratitude is expressed by the research scholar in these few lines for the timely suggestions offered, their advice and enormous help for the study, step to step guidance, motivation in completion of the study and enormous encouragement given to me by all the faculty members and other staff of C.A.C.P.E. The investigator is thankful to Dr. Sopan Kangane, Dr Arun Shinde and also to Dr. Amit Prabhu for their valuable guidance and help in statistical analysis of the data collected. The investigator is also thankful to Shree Sports Club, Kurundwad providing cooperation to conduct this study. Lastly indebted to my parents, wife, son, uncles, brothers, Friends and my family without their help, cooperation and motivation this study would not have been possible.

There still remain many others to be remembered, who in some or the other way helped in the completion of the study. I extend my sincere thanks to one and all of them.
