LIST OF TABLES

CHAPTER II

2.1 Nellore District - Rivers and length of flow.
2.2 Nellore District - Soils
2.3 Nellore District - Temperature
2.4 Nellore District - Annual Rainfall, 1901-1980.
2.5 Nellore District - Rainfall - winter season 1901-1980
2.6 Nellore District - Rainfall - Summer season 1901-1980.
2.7 Nellore District - Rainfall - South west monsoon season, 1901-1980.
2.8 Nellore District - Rainfall - North East monsoon season, 1901-1980.

CHAPTER III

3.1 Nellore District - Distribution of forest land use, 1987-88
3.2 Nellore District - Percentage of forest land to total geographical area and change in area between 1974-75 and 1984-85.
3.3 Nellore District - Distribution of Barren and uncultivable land in 1987-88.
3.4 Nellore district - Percentage of Barren and uncultivable land to total geographical area and change in area between 1974-75 and 1984-85.
3.5 Distribution of land put to non-agricultural uses, 1987-88.

3.6 Proportion of land put to non-agricultural uses to the total geographical area and volume of change between 1974-75 and 1984-85.

3.7 Distribution of permanent pastures and other grazing lands to total geographical area, 1987-88.

3.8 Proportion of land put to permanent pastures to the total geographical area and volume of change between 1974-75 and 1984-85.

3.9 Distribution of miscellaneous tree crops to total geographical area, 1987-88.

3.10 Proportion of land put to miscellaneous tree crops to total geographical area and volume of change between 1974-75 and 1984-85.

3.12 Proportion of culturable waste land to total geographical area and volume of change between 1974-75 and 1984-85.

3.13 Distribution of current fallows to total geographical area, 1987-88.

3.14 Proportion of current fallows to the total geographical area and volume of change between 1974-75 and 1984-85.

3.15 Distribution of other fallows to total geographical area, 1987-88.
3.16 Proportion of other fallow lands to the total geographical area and volume of change between 1974-75 and 1987-88.

3.17 Distribution of net area sown to total geographical area, 1987-88.

3.18 Proportion of net area sown to the total geographical area and volume of change between 1974-75 and 1984-85.

CHAPTER IV

4.1 Concentration of paddy cultivation in Nellore District, 1987-88

4.2 Proportion of paddy cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.

4.3 Concentration of jowar cultivation, 1987-88.

4.4 Proportion of jowar cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.

4.5 Concentration of bajra cultivation, 1987-88.

4.6 Proportion of bajra cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.

4.7 Concentration of ragi cultivation, 1987-88.

4.8 Proportion of Ragi cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.
4.9 Concentration of minor millets, 1987-88
4.10 Proportion of minor millets to gross cropped area and volume of change between 1974-75 and 1984-85.
4.11 Concentration of pulses and grams, 1987-88.
4.12 Proportion of pulses and grams to the gross cropped area and volume of change between 1974-75 and 1984-85.
4.14 Proportion of spices and condiments to the gross cropped area and volume of change between 1974-75 and 1984-85.
4.15 Concentration of tobacco, 1987-88.
4.16 Proportion of tobacco to gross cropped area and volume of change between 1974-75 and 1984-85.
4.18 Proportion of fruits to gross cropped area and volume of change between 1974-75 and 1984-85.
4.20 Proportion of groundnut to gross cropped area and volume of change between 1974-75 and 1984-85.
4.21 Proportion of sesame to gross cropped area and volume of change between 1974-75 and 1984-85.
4.22 Proportion of sugarcane cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.
4.23 Proportion of cotton cultivation to gross cropped area and volume of change between 1974-75 and 1984-85.

CHAPTER V

5.1 Distribution of major crop combinations, 1987-88.
5.2 Crop combination, 1974-75 and 1984-85.
5.3 Crop Diversification, 1987-88
5.4 Crop Diversification, 1974-75 and 1984-85.

CHAPTER VI

6.1 Distribution of first ranking crops in Nellore District, 1987-88.
6.2 Distribution of second ranking crops in Nellore District, 1987-88.
6.3 Distribution of third ranking crops in Nellore District, 1987-88.

CHAPTER VII

7.1 Proportion of area under HYV to the gross sown area and volume of change between 1974-75 and 1984-85.
7.2 HYV seed retail outlets, 1987-88.
7.3 Mandal wise fertilizer retail outlets.
7.4 Agricultural machinery, 1977.
7.5 Agricultural Machinery, 1983.
7.6 Location of sample villages with reference to mandal and district Headquarters.
7.7 Size of family
7.8 Age group of farmers
7.9 Education
7.10 Type of house
7.11 Amenities available in houses.
7.12 Possession of vehicles
7.13 Possession of domestic things
7.14 Income per annum
7.15 Awareness of the following items.
7.16 Number of persons using selected organic manures.
7.17 Number of persons using self mixed chemical fertilizers.
7.18 No. of persons using tractors
7.19 Owning of pumpset
7.20 No. of persons using power and hand sprayers
7.21 Change in cropping pattern
7.22 Fragmentation of land
7.23 Availing of loans
7.24 Awareness of Radio and Television programmes.
