I must hasten to express my profound gratitude to Venerable Dr. Satish B. Deshpande for giving me an opportunity to do the research under his able guidance. His enduring interest and positive attitude as well as his constant readiness and willingness to share valuable comments and suggestions have immensely contributed to the making of this thesis. I am greatly indebted to the most revered Shri Sudhakarji Paricharak, the President of Shri Pandurang Shikshan Prasarak Mandal, Pandharpur for his blessings and inspiration. I express my deep gratefulness to Shri C. M. Doshi and Shri Prashantro Paricharak for their genuine support, motivation and encouragement. I am indebted to Dr. C. J. Zahagirdar for his pivotal role in forming the project. I would like to extend my sincere thanks to the teaching and non-teaching staff of my college for their kind co-operation and unequivocal support. Shri Ashok Joshi, Prof. Dr. Mrs. Chaure Prof. M. S. Pawar, Prof. Dr. Baad, Prof. Dr. Upase, Prof. Dr. R. B. Chaugule, Shri Dande, Shri Dunakhe, Shri Parkhe, Shri Kolhapure,
Shri Dharashivkar, Shri koli, and Shri Mohammed Mulani deserve my sincere thanks for always being there to share, help and motivation. I must thank Shri Pushkar Tapare, Mrs. Vinaya Paricharak and Mrs. Deepali Karandikar for their significant contribution.

My friends have always been helpful and considerate throughout. I thank them not only for being good listeners and supporters, but also for tolerating my long absences throughout the writing of this thesis. I would especially like to thank Shri Pramod Saraf, Shri Arvind Pansare, Dr. Anil Joshi, Dr. Sanjay Patil, Shri Vinayak alias Prasad Paricharak, Adv. Sarang Aradhye, Shri Milind Wagh, Shri Shrikant Deshpande, Shri Gajanan Wagh, Prin. Dr. Ronge; Tukaram Lokhande for their reassuring and comforting role.

I have been able to carry out this study in a most perfect physical and sentimental environment, and this I owe to all the members of my joint family, kinsmen and relatives. I am profoundly grateful for their lasting interest and unstinted support. As constant sources of peace and comfort, my wife Mrs. Meera has definitely made things easier for me.
My two beloved daughters, Ruta and Noopur, always play a pivotal role and have an astonishing way of boosting my spirits even when I am feeling down. I dedicate the same thesis to my late parents. Their perennial benedictions have enabled me to materialise the writing of this thesis.
