ACKNOWLEDGEMENTS

I am genuinely and deeply indebted to my supervisor, Dr. Vinit Bala Khera, Reader, Department of Education, Panjab University, Chandigarh for her constant inspiration, guidance and direction. This work would not have come to its present shape without her cheerful encouragement, constructive criticism and ready cooperation throughout the research work.

I owe my thanks to Dr. Anand Bhushan, (Head of the Department), Faculty and Office staff of the Department of Education, Panjab University, Chandigarh for providing me all sorts of facilities.

My sincere thanks are due to Dr. Sunil Dutt, Lecturer, Education and Educational Management Department of Technical Teachers Training Institute, Chandigarh for helping me in the analysis and interpretation of data.

I gratefully acknowledge the cooperation extended to me by the Principals, Teachers and Students of the Senior Secondary Schools during the collection of data.

The whole process putting my thoughts into words through the study could not have been possible without cooperation and help from my brothers and sisters. I am also grateful to my parents for their encouragement and cooperation in achieving my goal. Thanks are also due to Ms. Bimla for computer typing the whole Thesis.
