ACKNOWLEDGEMENT

It give me immense pleasure to express my sincere gratitude and indebtedness to my reverend guide Dr. Jagjit Singh Brar for his continuous and exceeding interest, valuable suggestions, constructive criticism and inspiration throughout the course of the present investigation. But for his deep knowledge and painstaking efforts for the present study the thesis would not have taken the present shape.

I have no words to convey the depth of my feelings and gratitude to Dr. Harminder Singh Sidhu and Dr. Surinder Singh Sangha for their untiring and ever willing help I directly needed in taking this work to its culmination.

I express my sincere thanks to the honourable Chairman, Sheikh Baba Farid Chair, Dr. Deepak Mannohan Singh Panjab University, Chandigarh for valuable suggestions, inspiration, encouragement and cooperation extended to me at every step.

I also express my heartiest thanks to all the worthy members of the Department of Education, Panjab University, Chandigarh for the cooperation I generously received from them.

I must also place on record my indebtedness to the kind co-operation of the Principals, Headmasters and Teachers of various schools and colleges who assisted me in the collection of data for the present study.

I would be failing in my duty if I forget to acknowledge with gratitude for the words of encouragement and help given to me by my parents. Thanks are also due for my friends Baltej Brar, Daljit Singh Wraich and Dr. Dilbara Singh Bajwa. They in their unique way made it possible for me to complete this study.

Last but not the least, I must also record my feelings of appreciation for my wife Sukhwinder and loving son Inderveer who inspired me to do so.
