

LIST OF TABLES

S. No.	Table	Page No.
1.	Level of Creativity possessed by the Whole Sample	144
2.	Distribution of Creativity in the Whole Sample	145
3.	Influence of Locality on the Creativity of Prospective Science Teachers	146
4.	Distribution of Creativity in Locality	147
5.	Influence of Gender on the Creativity of Prospective Science Teachers	148
6.	Distribution of Creativity in Gender	149
7.	Influence of Educational Qualification on the Creativity of Prospective Science Teachers	150
8.	Distribution of Creativity with respect to Educational Qualifications of Prospective Science Teachers	151
9.	Influence of Medium of Instruction on the Creativity of Prospective Science Teachers	152
10.	Distribution of Creativity with respect to the Medium of Instruction of Prospective Science Teachers	153
11.	Influence of Academic Achievement on the Creativity of Prospective Science Teachers	154
12.	Distribution of Creativity with respect to Academic Achievement of Prospective Science Teachers	155
13.	Influence of Annual Income on the Creativity of Prospective Science Teachers	156
14.	Distribution of Creativity with respect of Annual Income of the Prospective Science Teachers	157
15.	Level of Scientific Attitude possessed by the Whole Sample	159
16.	Distribution of Scientific Attitude in the Whole Sample	159
17.	Influence of Locality on the Scientific Attitude of Prospective Science Teachers	160
18.	Distribution of Scientific Attitude in Locality	161
19.	Influence of Gender on the Scientific Attitude of Prospective	162

Science Teachers

20.	Distribution of Scientific Attitude in Gender	163
21.	Influence of Educational Qualification on the Scientific Attitude of Prospective Science Teachers	163
22.	Distribution of Scientific Attitude with respect to Educational Qualifications of Prospective Science Teachers	164
23.	Influence of Medium of Instruction on the Scientific Attitude of Prospective Science Teachers	165
24.	Distribution of scientific attitude with respect to the medium of Instruction of prospective science teachers	166
25.	Influence of academic achievement on the scientific attitude of prospective science teachers	167
26.	Distribution of Scientific Attitude with respect to Academic Achievement of Prospective Science Teachers	168
27.	Influence of Annual Income on the Scientific Attitude of Prospective Science Teachers	169
28.	Distribution of Scientific Attitude in the Income Group	170
29.	Level of Attitude towards Science possessed by the Whole Sample	172
30.	Distribution of Attitude towards Science in the Whole Sample	172
31.	Influence of Locality on the Attitude towards Science of Prospective Science Teachers	173
32.	Distribution of Attitude towards Science with respect to Locality	174
33.	Influence of Gender on the Attitude towards Science of Prospective Science Teachers	175
34.	Distribution of Attitude towards Science in Gender	176
35.	Influence of Educational Qualification of Prospective Science Teachers on the Attitude towards Science of Prospective Science Teachers	177
36.	Distribution of Attitude towards Science with respect to Educational Qualifications	178
37.	Influence of Medium of Instruction on the Attitude towards Science of Prospective Science Teachers	179

38.	Distribution of Attitude towards Science with respect to the Medium of Instruction	180
39.	Influence of Academic Achievement on the Attitude towards Science of Prospective Science Teachers	181
40.	Distribution of Attitude towards Science with respect to the Academic Achievement	182
41.	Influence of Annual Income on the Attitude towards Science of Prospective Science Teachers	183
42.	Distribution of Attitude towards Science with respect to Annual Income	184
43.	Association among creativity, scientific attitude and attitude towards science in the whole sample	185
44.	Association among Creativity, Scientific Attitude and Attitude towards Science with respect to Locality	186
45.	Association among creativity, scientific attitude and attitude towards science in Male and Female Prospective Science Teachers	187
46.	Association among Creativity, Scientific Attitude and Attitude towards Science of Graduate and Post-Graduate Prospective Science Teachers	188
47.	Association among Creativity, Scientific Attitude and Attitude towards Science in Telugu Medium and English Medium Prospective Science Teachers	189
48.	Association among Creativity, Scientific Attitude and Attitude towards Science of High, Average and Low Achieving Prospective Science Teachers	190
49.	Association among Creativity, Scientific Attitude and Attitude towards Science of APL and BPL family Prospective Science Teachers	191
