It has been a great pleasure and privilege to work the present erudite research, under the kind supervision of Prof. Asha Gupta, former chairperson Department of Education, Panjab University Chandigarh India. Her excellent spirit, effective guidance, encouragement and constant criticism brought to me to put effort and confidence in this research project. I therefore, extend my sincere indebtedness to her.

I also extend my gratitude to co-supervisor Dr. Vandana Mehra Lecturer Department of Education, Panjab University Chandigarh, India for her suggestions and constructive criticism of my research project and kind co-operation in my academic research pursuit.

I sincerely wish to thank the Government of Thailand and Ministry of Education for granting me study leave to improve academic excellence and I am very thankful to the Government of India and Ministry of Human Resource Development for the opportunity to study in Panjab University, Chandigarh, India

I am thankful to Dr. A.K. Misra from Post Graduate Institute of Medical Education and Research of Chandigarh (India) granting me permission to have an access to the information regarding Drug Treatment.

I acknowledge my sincere thanks to Prof. Orapin Chuchoom, Institute of behavior research and Development of Srinakharin Wirot Phasanmit University in Thailand for her valuable advice for my research project.

I acknowledge thanks to Prof. B.G Banerjee, Dr. A.K Sinha, Department of Anthropology, Panjab University, Chandigarh India, for their kind help and suggestions for my research project.
I gratefully acknowledge to Mrs. Padma Kumar; Mrs. Mukharjee and Dr. Suco TN Hang Lien for their kind assistance in the completion of this research.

I acknowledge thanks to The Ministry of Public Health and Ministry of Education of Thailand for gave Instrument, which was used research

I gratefully acknowledge the help of all Directors, teacher and students in secondary schools in Lampang province who spent some of their valuable time to fill up the questionnaire in the research project.

I also express my thanks to the library staff and all officials especially the Department of Education, Panjab University, My thanks are due to the library of Post Graduate Institute of Medical Education and Research in Chandigarh, (P.G.I) for helping me to collect the necessary materials for the study.

I am grateful to Mr. Jams Meansakul of Computer science and statistic Department of Rajbath Lampang University, Lampang for his kind help.

I feel indebted to all of my friends for their sincere and generous advice when I needed

Finally I wish to thank my parents, all member of the Khantawong’s Family for the encouragement and support and who at the same time accorded me all the necessary comfort and peace of mind during this crucial time.

Thank you and best of my luck

Panichar T. Khantawon
Department of Education
Panjab University, Chandigarh
