ACKNOWLEDGEMENTS

Frankly speaking, words are too short to express my deep sense of gratitude to my revered and esteemed guide, Dr. (Miss) Sudesh Gakhar, Professor, Department of Education, Panjab University, Chandigarh whose invaluable guidance, encouragement and painstaking effort which helped me in the proper execution and completion of the present study. The comments, observations, and suggestions given by her have gone a long way in improving the quality of this thesis. Her benevolent and benign attitude, unflinching dedication to hard-work and keen research oriented approach has made it possible for me to fulfill my great ambition of life.

I offer sincere thanks to Prof. (Mrs.) Ashia Gupta, Chairperson, Deptt. Of Education, Panjab University, Chandigarh for providing me administrative facilities throughout my research work. I wish to express my genuine thanks to all the staff of the Department of Education, Panjab University, Chandigarh for their timely help and co-operation.

I am equally indebted to Dr. S.S. Mann, Retd. Principal, Khalsa College of Education, Muktsar whose encouragement and constant inspiration was a source of strength to complete this thesis.

My heartiest thanks to Mr. Harlok Nath, Principal, Government Senior Secondary School, Dharoli (Farrukh Kot) for extending his full-co-operation specially during the last days of my study. I am also thankful to all my colleagues for standing by me in hours of need.

I will indeed be failing in my duty if I do not express my gratitude to my parents, family members specially my brother Pardeep Kataria without whose moral support, it would have been difficult to complete this study.

I wish to express my sincere thanks to all the Principals, teachers and students of Senior Secondary Schools of Farrukh Kot and Ferozepur Educational Divisions for their co-operation during data collection, without it, it would not have been possible to complete this research work.

My special gratitude goes to Mr. S.K. Mohendru, Deptt. of Computer Science & Application, P.U. Chandigarh for his skillful help in computing various statistical analysis.

I express a deep sense of gratitude to authors and publishers whose works I have consulted and quoted in my Ph.D. Thesis.

Last, but not the least, I am highly grateful to my wife Parveen, whose patience, moral support and understanding made me withstand all the difficulties during the research period.
