### CHAPTER

**I**  
**INTRODUCTION** ........................................ 1-40

- Importance of teacher in educational process ........................................ 1
- Characteristics of a successful physical education teacher ......................... 14
- Adjustment ........................................................................ 22
- Creative thinking and creativity ........................................... 25
- Socio-economic status ..................................................... 29
- Statement of the problem .................................................. 33
- Objectives of the study ..................................................... 33
- Hypotheses ...................................................................... 34
- Delimitations of the study .................................................. 35
- Definition of important terms ............................................ 35
- Significance of the problem .............................................. 37

**II**  
**REVIEW OF THE RELATED LITERATURE** ..................... 41-82

- Introduction ..................................................................... 41
- Creativity ........................................................................ 42
  - (a) Creativity and teaching success ........................................ 42
  - (b) Creativity of teacher and classroom behaviour ..................... 49
III METHOD AND PROCEDURE

Introduction

Construction of a teacher success scale

Use of teacher success scale

Sample

Tools used

Administration of tools

Scoring of the tests

Raw score and standard score

Statistical analysis of data

Tabulation of data

IV ANALYSIS AND INTERPRETATION

Section I:

Validation of the physical education teachers' success scale
Section II:
Successful and less successful physical education teachers ... 110
Conclusions ... 127

Section III:
Comparison of physical education teachers on the basis of sex ... 128
Conclusions ... 143

Section IV:
Comparison of government and private physical education teachers ... 144
Conclusions ... 158

Section V:
a) Prediction of creativity and relationship between adjustment, socio-economic status & creativity ... 160
b) Relationship between adjustment, socio-economic status and creativity ... 166
Conclusions ... 171

V SUMMARY, CONCLUSIONS AND IMPLICATIONS ... 173-185
Summary ... 173
Conclusions ... 180
Implications ... 181

- BIBLIOGRAPHY ... 186-209

- APPENDICES:
  I Physical Education teacher's success scale ... 210
  II Thinking creatively with words ... 215
  III Teacher's Adjustment Inventory ... 231
  IV Socio-economic status schedule ... 254
