ACKNOWLEDGEMENT

There are number of people whom I would like to acknowledge for their help, support and encouragement during the course of this work.

I pay my sincere thanks to my research guide Dr R. Onkarappa, Head of the Department of Microbiology, for shaping me as a Research scholar, his guidance, affectionate treatment and no holds barred comments which helped in the final completion of this Thesis.

It’s my duty to thank Prof. Siddaramappa B.R, Principal, Sahyadri Science College (Autonomous) for his kind support and affectionate words.

I deem it as a great Privilege to thank sincerely and whole heartedly Prof. T.S Hoovaiah Gowda, Ex-Principal, Sahyadri Science College (Autonomous), Shivamogga for his encouragement and granting permission to work in this Institute.

I take this Opportunity to thank Dr N. Mallikarjun, Selection Grade Lecturer, Dept. of Microbiology, Sahyadri Science College (Autonomous), Shivamogga for his timely help and appreciating kindness.

I could not have done this work without a lot of support from Mr. Prashith kekuda T.R, Lecturer, Dept. of Microbiology, S.R.N.M.N College of Applied Sciences, Shivamogga, Mr. Anil Kumar H.S, Lecturer, Dept. of Biotechnology, Nitte College of Engineering, Nitte and Mr. Gurucharan D.N, Lecturer, Dept. of Botany, Sahyadri Science College, Shivamogga both intellectually and emotionally.

I would be failing in my duties if I do not mention the constant encouragement, moral support and help offered by Mrs. Seema J Patel, Lecturer, Dept. of Biotechnology, G.M Institute of Technology, Davangere Ms. Kavitha K.R, Lecturer, Dept. of Biochemistry, Maharani’s College, Mysore, Ms. Pankaja A, Lecturer, Dept. of Microbiology, Sahyadri
Science College (Autonomous), Shivamogga, Mr. Mukunda S, Head of the Dept. of Microbiology, S.R.N.M.N College of Applied Sciences, Shivamogga and Mr. Chetan N.L, Lecturer, Acharya Institute of Science, Bangalore.

I would like to thank Dr. Gurumurthy S. B, Assistant professor, College of Agricultural Science, University of Agricultural Sciences, Dharwar for his kind guidance and directions. Thanks for his valuable comments which helped to shape this work.

I would like to thank Dr S. Shishupala, Chairman, Department of Studies and Research in Microbiology, and Dr. Ramalingappa, Reader, Dept. of Studies and Research in Microbiology for their kind support during the work.

Very special thanks to my friends Mrs. Mamatha Salimath and Mrs. Lakshmi H.S for their encouragement I received all these years.

I wish to express my gratitude to all members of Department of Microbiology Sahyadri Science College. Special acknowledge is to my dear colleagues Mrs. Chaya K, Mrs. Swarna, Ms. Shilpa B.N, Mrs. Sushma B.P and Ms. Shubha G.R for their help during my work and also for their timely help.

I would like to pay great thanks for my brother Mr. Ravi K.S for his love and encouragement.

I would like to pay my very special thanks to Ragu Anna, Purushottam and Anithakka for their love, support and for the little happy moments that make the life worth living.

I would also like to thank Mr. Kumar G.M and Mr. Basha, Dept. of Microbiology, Sahyadri Science College (Autonomous), Shivamogga and my little brothers’ Guru and Manjunath.
My sincere thanks are to my Students Mr. Gautam S.A, Mr. Avinash B.N, Mr. Pavaman V, Mr. Mithun, Mr. Rakesh Tiwari, Mr. Manu A.N, Ms. Shwetha S, Ms. Reena, Ms. Sahana J, Ms. Manasa R, Mr. Amith, Ms. Priyanka, Mr. Vasantha, Mr. Dudyanaiik, Mr. Rohith and Mr. Suleman for their help.

I was gratified that many people responded to my request for help and volunteered to help in special areas of interest. They are;

1. **Mr. Anil Kumar H. S**, Lecturer, Dept. of Biotechnology, Nitte College of Engineering, Nitte- HPLC work
2. **Mr. Rajashekar**, Chromous Biotech, B’lore- PCR work
3. **Mr. Harish M.N.K**, Dept. of Chemistry, Shankaraghatta- UV absorption studies
4. **Ms. Sunitha**, Wingene Biotech, B’lore- Purification of enzymes

I would also acknowledge help from **Dr. Nataraja S**, Lecturer, Department of Botany, Sahyadri Science College (Autonomous), Shivamogga, **Dr. Deepak R**, Department of Botany, **Dr. Basavaraj Padmashali**, Dept. of Chemistry, Sahyadri Science College, Shimoga for their kind help.

Finally I would like to thank my Family, specially my parents for their love support and encouragement to reach my dreams. Thanks for their patience, understanding and love. They deserved my deepest thanks. I thank almighty god for giving me strength, patience and dedication.

Shobha K.S
