ACKNOWLEDGEMENTS

It gives me immense pleasure to express a sense of profound gratitude and indebtedness towards my esteemed guide, Dr. (Mrs.) I.P. Sharma, Retd. Professor and Head, Department of Education, Panjab University, Chandigarh, for taking keen interest and giving invaluable guidance, encouragement and inspiration which helped me in the proper execution and completion of the present study. The suggestions provided by her have been of immense value in improving quality of my research at all stages. This experience of working with her shall remain a constant source of inspiration to me.

I am thankful to Professor Asha Gupta, Chairperson, Department of Education, Panjab University, Chandigarh for providing all possible help whenever needed.

A prominent place in the acknowledgement goes to my parents, Prof. Tirath Singh and Principal Nirmal Kaur, for their constant inspiration to accomplish this task.

Let me take this opportunity to acknowledge the immeasurable contribution of my husband, Mr. A.P.S. Sachdeva, in whose invaluable companionship, I have grown as a research scholar and who has been a source of constant support to me in innumerable ways.
I am equally grateful to my in-laws and sisters Tina and Bindu, Brothers-in-law for their concern and encouragement in this venture.

My Special thanks to my friend Sanjay Joshi for invaluable help and encouragement to complete this study.

My sincere thanks to various authors whose work has been cited in the study and to everyone connected with my work in one way or the other.

I wish to express my thanks to my Principal Dr (Mrs.) M.M.Lulla, for encouragement.

Ramandeep Kaur
