ACKNOWLEDGEMENT

“The unthankful heart discovers no mercies; but let the thankful heart sweep through the day
and, as the magnet finds the iron, so it will find, in every hour, some heavenly blessings”.

Feeling gratitude and not expressing it is like wrapping a present and not giving it. I would be
ungrateful if I do not thank those who helped me in shaping this research work. I can not find
suitable words to express my heartfelt gratitude towards my research supervisors, Prof.
Sanjeev K. Sharma and Dr. Parmjit Kaur, Associate Reader, University Business School,
Panjab University, Chandigarh who have been the source of encouragement throughout my
research. I am greatly thankful to Prof. Sanjeev K. Sharma for introducing me to the exciting
field of strategy which has been the playground of many great academicians and
practitioners. He has been realistic in his expectations, fair with his constructive criticisms,
and a great source of information and support over the course of the study. With his easy
going attitude, constant motivation and the ability of making difficult things simpler helped
me doing my research work without losing focus. Words appear inadequate and hollow,
when I thank Dr. Parmjit Kaur for her inspiration, enthusiasm and encouragement. She was
always there for me even when her health did not allow her to do that. Though she was
prescribed bed rest, she was available and did not let her long spells of illness affect my
research work.

I am highly obliged to Prof. Dinesh Gupta, Chairman, University Business School, Panjab
University, Chandigarh, for providing a congenial environment for research in the
department. I sincerely thank the staff of library and computer lab, University Business
School, Panjab University, Chandigarh, for their help and co-operation.

A special note of thanks to my friends Monalisa Sahajpal, Gurpreet Kaur, Sulakshana
Dwidedi and Ritu Gupta, for their motivation, encouragement and support. The discussions
with them proved to be very helpful in this research work.
My deepest gratitude goes to my parents, brother Sandeep, sister Lalita and brother in law Upinder for their unflagging love throughout my life. Without their help, this work could not have been possible. It was their confidence in me which inspired me to move ahead.

The acknowledgement of gratitude can not be completed without bowing my head in respect of the Almighty. "Thou that has given so much to me, Give one thing more—a grateful heart; Not thankful when it pleaseth me, As if thy blessings had spare days; But such a heart, whose pulse may be Thy praise."
