ACKNOWLEDGEMENT

It is with a deep sense of gratitude I express my heartfelt thanks to Prof. Gopal M. Advi Rao, Chairman, Department of Biochemistry, Kuvempu University, for giving me the opportunity to join his research group and for introducing me to the fascinating world of science particularly in cancer biology. I am grateful to Prof. Gopal M. Advi Rao for his valuable guidance, constant encouragement and critical suggestions throughout the course of these investigations.

I would like to express my cordial thanks to Mr. Shaiju Jhon, St.George College of management and Science, Banasawadi, Bangalore for providing the laboratory facility to carry out most of the studies.

I am grateful to Dr. K.C. Pushpalatha, Mr. R.S. Meti and the non-teaching staff of the P. G. Department of Biochemistry, Madikeri for their constant support and encouragement.

Thanks are also extended to Dr. K.R. Geetha, Curator, Botanical Garden, GKVK campus, Bangalore for helping to identify the plant and for accepting the herbarium for deposition in the department.

Thanks are due to Dr. K. K Vijayalaxmi who kindly provided the tumor animal to carry out the anti-tumor studies.

I greatly appreciate the help received from Dr Sucheta Kumari for antioxidant studies and Dr. Ramaprasad, for Toxicity studies.

It is a great pleasure to thank Dr. N. G. Raju, Dr. M.K. Sateesh, Dr. K.P. Guruprasad, Mrs. Madhumathi, Prof. V.S. Ranganathan, Prof. H.V. Nangaraja, Prof T.D. Sridaharan, Prof Venkatesh and Mrs. Sara chandran for their help and encouragement in accomplishment of the this work.

I wish to thank all teaching and non-teaching staff of Biochemistry and Microbiology Department, Kuvempu University, Shivagangothri, for their help and constant support.

I am grateful to, Mr. Abhijith S.R., Ms. Prakruti, Mr. Rohit, Mr. Sandesh K., Dr. Veeranna S., Dr. Shahabuddin M.S., Mr. Ravikumar, Mr. Naveen Kumar, Ms. Kavitha, Mr. Giridhar and Darshan for their help in many ways.

It is a pleasant duty to thank the authorities of the Kuvempu University for providing me the facilities to carry out these investigations.

I am grateful to my wife, daughter, and to my whole family for their motivation and encouragement which has come a long way in completion of the thesis. The inconvenience caused to them during this tenure is irreparable. The overwhelming support, their prayers and blessings which has helped me to achieve my goal.

Above all I thank god for everything.
