International Conference

8. K Mohamed Kaleemulla and B Siddeswarappa, “Experimental Investigations to analyze the effect of Tool Shape on Thrust Force in Drilling of Woven Hybrid Polymer Composites”, RAMP-06, December 2006, Sec 12.8.

National Conference

Articles in Review

18. K Mohamed Kaleemulla and B Siddeswarappa, “Investigations to Correlate the Damage Behaviour of Woven Hybrid Polymer Composites with the Potential Energy of the Impactor”, In Review

20. K Mohamed Kaleemulla and B Siddeswarappa, “Post-Damage Compressive Strength of Woven Hybrid Composites Impacted With Various Energy Levels”, In Review
