I am truly indebted and thankful to my supervisor Professor Sudesh Kaur Khanduja, for her academic guidance, fruitful discussions and invaluable suggestions. The joy and enthusiasm she has for her research was contagious and motivational to me, for which I am extremely grateful.

My sincere thanks to Professor Salma Kuhlmann of Universität Konstanz, for her valuable suggestions during her visit to Panjab University.

I am thankful to Professor A. K. Bhandari (Chairman), Professor Madhu Raka (former Chairperson) and all the staff members of the Department of Mathematics, Panjab University, Chandigarh for providing the necessary facilities during the course of my research work.

I am very grateful to the Council of Scientific and Industrial Research, New Delhi for their financial assistance in the form of research fellowship.

I would like to thank Mr. Paramjeet Singh and all my friends and colleague for making my stay at Panjab University a pleasant experience.

Above all I express my deepest gratitude to my parents, brother - Ashish, sister - Shikha for their love and support in all spheres of my life.
