ACKNOWLEDGEMENTS

First of all, I would like to thank the almighty God for His blessings. Then, on the successful completion of my PhD thesis, I would like to express my profound gratitude and sincere appreciation to the supervising professor of my thesis Dr.(Mrs.) Deepti Gupta, English Department, Panjab University, Chandigarh who initiated me into working on such a challenging topic. I owe a special debt for her step by step guidelines during the accomplishment of this project, for her thorough work upon the materials as well as her meticulous supervision, insightful comments, constructive criticism and invaluable support. Her critical suggestion and constant direction made my research tenure an enlightening experience.

I must also extend my appreciation to the chairperson of the Department of English, Panjab University and the fabulous committee members of the faculty for their ongoing support and feedback throughout the whole dissertation process.

And, I should acknowledge my greatest debt to all my friends and colleagues at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib for their collaboration and assistance during the study of this research. My special thanks should be given to the students of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib for cooperation as the subjects for the research. Two of my students, Bikramjeet and Sumeet, need special thanks for making all the correspondence possible.

My eternal gratitude is extended to my dear parents. Their unsparing affection, unfailing patience and unflinching support have been a constant source of inspiration and motivation for me.

I am gratefully indebted to Ruhani, my daughter, who had to bear all the inconvenience due to my very busy schedule.

Finally, I would like to express my utmost thanks to my best supporter and friend—my husband, Er. Deepak Aggarwal, for his numerous acts of motivation, encouragement and support.
