List of Publications

1. Investigating non-Fritzsch like texture specific quark mass matrices
   Neelu Mahajan, Rohit Verma and Manmohan Gupta

2. Exploring the parameter space of texture four-zero quark mass matrices
   Rohit Verma, Gulsheen Ahuja, Neelu Mahajan, Monika Randhawa and Manmohan Gupta

3. Revisiting the texture specific quark mass matrices
   Manmohan Gupta, Gulsheen Ahuja, Rohit Verma, Neelu Mahajan and Monika Randhawa
   To be published in *International Journal of Modern Physics A*.

4. Complete parameter space of texture 4 zero quark mass matrices
   Rohit Verma, Neelu Mahajan, Monika Randhawa, Gulsheen Ahuja and Manmohan Gupta

5. Investigating texture 6 zero lepton mass matrices
   Neelu Mahajan, Monika Randhawa, Manmohan Gupta and P. S. Gill
   Submitted in *European Journal of Physics C*

6. Compatibility of texture specific mass matrices with the latest quark mixing data
   Rohit Verma, Gulsheen Ahuja, Neelu Mahajan, Monika Randhawa and Manmohan Gupta
   Presented in the 3rd *Chandigarh Science Congress*, held at Department of Physics, Panjab University, Chandigarh.
7. Investigating texture specific quark mass matrices
   Neelu Mahajan, Rohit Verma and Manmohan Gupta
   Presented in the 4th Chandigarh Science Congress, held at Department of
   Physics, Panjab University, Chandigarh.

8. Investigating texture 5 zero lepton mass matrices
   Monika Randhawa, Neelu Mahajan, Manmohan Gupta and Gulsheen Ahuja
   (In preparation).
