LIST OF TABLES

Table No. | Page No. |
---|---|
2.2 Experimental Design | 38 |
2.4 Duration of the Course | 40 |
2.5 The Plan of Teaching and Testing | 46 |
4.1.1 A. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahamakut Buddhist University in the tense patterns. | 116 |
4.1.1 B. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahamakut Buddhist University in the voice patterns. | 118 |
4.1.1 C. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahamakut Buddhist University in the narration patterns. | 120 |
4.1.2 A. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the tense patterns. | 122 |
4.1.2 B. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the voice patterns. | 125 |
4.1.2 C. The analysis of the diagnostic test, the interim tests, and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the narration patterns. | 127 |
4.2.1 A. Gain scores of the diagnostic test and the achievement test of the students of Mahamakut Buddhist University in the tense patterns. | 129 |
4.2.1 B. Gain scores of the diagnostic test and the achievement test of the students of Mahamakut Buddhist University in the voice patterns.

4.2.1 C. Gain scores of the diagnostic test and the achievement test of the students of Mahamakut Buddhist University in the narration patterns.

4.2.2 A. Gain scores of the diagnostic test and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the tense patterns.

4.2.2 B. Gain scores of the diagnostic test and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the voice patterns.

4.2.2 C. Gain scores of the diagnostic test and the achievement test of the students of Mahachulalongkornrajavidyalaya University in the narration patterns.

4.3.1 A t-test for mean scores between the diagnostic test and the achievement test on the tense patterns of the students of Mahamakut Buddhist University.

4.3.1 B. t-test for mean scores between the diagnostic test and the achievement test on the voice patterns of the students of Mahamakut Buddhist University.

4.3.1 C. t-test for mean scores between the diagnostic test and the achievement test on the narration patterns of the students of Mahamakut Buddhist University.

4.3.2 A. t-test for mean scores between the diagnostic test and the achievement test on the tense patterns of the students of Mahachulalongkornrajavidyalaya University.
4.3.2 B. t-test for mean scores between the diagnostic test and the achievement test on the voice patterns of the students of Mahachulalongkornrajavidyalaya University.

4.3.2 C. t-test for mean scores between the diagnostic test and the achievement test on the narration patterns of the students of Mahachulalongkornrajavidyalaya University.

5.8 A. The findings of the difference of mean scores between the students of Mahamakut Buddhist University on the diagnostic test and the achievement test in case of tense, voice, and narration patterns.

5.8 B. The findings of the difference of mean scores between the students of Mahachulalongkornrajavidyalaya University on the diagnostic test and the achievement test in case of tense, voice, and narration patterns.
