ACKNOWLEDGEMENTS

The day has finally come, when I can record my acknowledgement and gratitude to a host of individuals who made innumerable contributions towards the completion of my thesis, some identified below and others, with apologies, perhaps unwillingly overlooked.

I am greatly indebted to my guide **Dr. (Mrs.) Tehal Kohli** for being an inspiration behind the project right from the conception of the idea to its completion. With her expert suggestions, keen observation, innovative ideas and critical comments she has helped me tremendously in bringing out this thesis. Her experience, intellect and objectivity have been the building blocks of my work.

I would like to thank **Dr. (Mrs.) I.P. Sharma**, The Chairperson, Department of Education, Panjab University for helping me conduct the investigation smoothly.

I am grateful to my friend **Dr. (Mrs.) Batani Devi** who has been a source of constant support and showing boundless patient in handling my shortcomings while doing this work. I am also thankful to **Dr. (Mrs.) S. Sodhi** and **Taranpreet** for extending their help during this period.

Words fail to describe the effort of my relatives abroad, **Dr. Manjit Bains** (USA), **Mr. Satinder Sandhu** and his family (USA), **Mr. Pritpaul Bal** (UK) for sending different Psychological Tests, Research Journals and latest research based innovative material.

I am grateful to **Dr. Beve Hornsby and her Team of Experts from U.K.** for providing me training to deal with LD Children during National Conference-cum-Workshop held in New Delhi. It helped me a lot in implementing the intervention programme successfully.

I would like to acknowledge my gratitude to the previous researchers whose works enlightened me and gave a right direction to the present investigation.
I express my sincere thanks to the principals, teachers and students of different schools of Chandigarh, who participated in the programme enthusiastically.

I am also grateful to Mr. C.M.Bahl, Mr. G.K. Arora, Mr. Mahendroo Mr. Amit of Computer Department, Panjab University for the analysis of the data.

I would also like to thank Mr. Lalit Kumar under whose guidance Mr. P.S. Rana and Akhil made figurical representations for my thesis.

I am indeed indebted to my Family Members who have helped me in all possible ways during this period.

Special thanks to Mr. Kulbir and Mr. Ravi Sharma of UNIVAC, who by diligent typing, made my thesis presentable.

Above all my sincerest thanks are due to my husband Er. Paramjit Singh Bains and loving kids Simrat and Puneet for extending their constant help and cooperation throughout this work.

Lastly, I would like to express my gratitude to the Almighty God for constantly providing me with strength in my endeavor.

November, 1997

Devinder Kaur
