ACKNOWLEDGEMENT

It is my cherished privilege to gratefully acknowledge my sincere indebtedness to the revered mentor Dr. Anand Bhushan, Reader, Department of Education, Panjab University, Chandigarh. He proved to be a beacon guide to me and I wish to record my deep appreciation for his invaluable and illuminating guidance, constant encouragement, inspiration and forbearance, right from gestation, up to write up and completion of this research-project.

I am extremely grateful to Dr. Harish Sharma, Chairman, Department of Education, Panjab University, Chandigarh for providing me administrative facilities.

I am thankful to all the members of the faculty of Education, Panjab University for their timely help, encouragement, assistance and inspiration.

It gives me immense pleasure to place on record my deep sense of gratitude to Mrs. Mala Bhushan for her sound counsel, affection and continuous encouragement from time to time at every stage of the study. My special thanks are due to the Principals, teachers and students of various schools for extending their invaluable co-operation during various stages of data-collection. Special contribution of Mrs. Monika and Mrs. Sudesh for helping in translation of criterion reference test are highly acknowledged.

Special appreciations are reserved for Dr. Promod K. Mutha for sending a bulk of relevant original research literature, scale of teacher effectiveness and its manual on time. I am obliged to State Institute of Education, Sector-32, Chandigarh for their willing co-operation and helping hand in the pursuance of my work.

I will be always indebted to my husband Mr. Rajesh Mehta. Whose deep mathematical insight, constant co-operation and zestful association made me with stand all the difficulties during the entire span of this research work. He always encouraged and inspired me to complete this work. My gratitude is also due my little son, 'Hardik' who devoted his infancy and early childhood smiles and tears.

It gives me immense pleasure to express my deep sense of gratitude and regards to my adorable parents (Mrs. and
FL. LT. I.S. Bedi) for blessing and inspiring me to put in my best. I am sincerely thankful to my in-laws, specially my mother-in-law Smt. Asha Rani Mehta for providing me with full support, blessing and affection. They were the source of strength throughout the tenur of this study.

I would like to thank my brother Mr. Arvinder Bedi and his friend Mr. Suri for their ungrudging support. My appreciations are reserved for Miss Gurmeet Anand for assisting in language editing of this thesis. Special contributions of my uncle Mr. R.K. Bhatta and his associates for taking pains in making drafts, are highly acknowledged. I also sincerely acknowledge the authors whose works I have extensively consulted and quoted in my study.

In the end, I owe a lot to many others who helped me directly or indirectly in my project and who will always remained unnamed. Still, I hope, they will understand and accept my sincere thanks.
