Acknowledgements

No words will ever and adequately express my deep sense of gratitude to Dr. Tankeshwar Kumar. Every discussion and interaction with him gave me new insights into his analytical powers and incisive analysis. His guidance was always persuasive rather than compulsive. Nevertheless, all shortcomings and inadequacies are due to limitations of mine and I am solely responsible for them.

I am thankful to the present chairman Prof. Mawrf&hpi Gupta and erstwhile chairmen of the Department of Physics, P.U. Chandigarh for providing me necessary facilities in the department.

I am beholden to Dr. (Mrs.) Sunita Srivastava for the useful discussions during various stages of this research work.

I wish to thank the D.A.V. College management committee, Dr. B. C. Josan, Principal, D.A.V. College, Sector-10, Chandigarh and Dr. S. Marriya, Principal(retd.), D. A. V. College, sector 10, Chandigarh for their encouragement and cooperation.

I wish to express my heartfelt gratitude to my teachers Prof. S. D. Sharma and Prof. P. K. Ahluwalia for their blessings and encouragement to complete this work.

I am not able to find adequate words to express my thanks to Dr. Ranber Singh, Max Plank Institute (Stuttgart, Germany), for his constant motivation and interesting discussions regarding Physics, the philosophy of life and, the help rendered by him for the completion of this work and in general, despite of the long distance.

I wish to thank Dr. D. Mehta, Prof. V.K. Jindal, Dr. Tripathi, Dr. Sanjeev Gautam, Dr. Ranjan, Dr. R. K. Modgil and Dr. Raman Sharma for their help and support. I also thank my colleagues, co-fellows and friends Dr. Jyoti Sood, Dr. Shaminder, Dr. Ali Hossein Mohammad Zaheri, Dr. Puneet Sharma, Dr. Hitesh Sharma, Dr. Harleen, Dr. Vivek Chandel, Dr. Rajesh Kumar, Dr. Lahit Saini, Sanjeev, Dr. Rajesh Sharma, Dr. Mandep Sharma, Neeraj Chamoli, D.P. Semwal, Kapil Gandhar and Dr. Vivek Pathania, Rohit, Nikhil and M.P. for their warmth and healthy discussions.

My special thanks are due to the library and non teaching staff of the Department
I will always be indebted to my parents for their love, prayers, blessings, motivation, financial support and everything else they have given to me.

I am beholden to my wife Shikha, son Rudransh and younger brother Malay for their extreme understanding and bearing with me throughout the unusually long time that I have taken to complete this work. I certainly have deprived them of some quality time in pursuit of this work.

There are many other friends who have rendered their help and emotional support in the completion of this work. My heartfelt thanks to all those contributors whose names could not be mentioned here.
