ACKNOWLEDGEMENTS

I do not find adequate words to express the sense of gratitude that I feel for my esteemed teacher and guide Prof. (Dr.) S.P. Vij, Chairman, Department of Botany, Panjab University, Chandigarh for his patience and meticulous scrutinization of my work. It has been an honour and a privilege to have worked under his kind and able supervision. I am indebted to him for giving untiring inspiration, ever encouraging support, and guidance throughout the course of this study.

I am also grateful to him (Prof. Vij) and his predecessor Prof. (Dr.) K.K. Dhir for providing the requisite laboratory facilities during their period of chairmanship.

My heartiest thanks are due to my research colleagues and friends for their help.

I am thankful to Durga Graphics for assistance in typesetting of this manuscript.

The financial assistance from University Grant Commission, Govt. of India is gratefully acknowledged.
