ACKNOWLEDGEMENT

The euphoria and the satisfaction resulted due to the successful completion of the research would be incomplete without the mention of people who made it possible, whose constant guidance and encouragement crowned the success.

The research work in this thesis has been carried out under the able guidance of Dr. H. N. Ramesh Babu, Selection Grade Lecturer, Department of Botany and Seed Technology, Sahyadri Science College (Auto), Kuvempu University, Shimoga. It gives me immense pleasure to express profound sense of gratitude for the inspiring guidance throughout the pursuit of the research work.

It is my pleasure to express my heartfelt thanks to Prof. M. B. Shivanna, Chairman, Department of P.G. Studies and Research in Applied Botany, Jnana sahyadri, Kuvempu University, Shankarghatta, for his support in my research.

I would like to thank Prof. Krishnappa, M., Department of P.G. Studies and Research in Applied Botany, Jnana sahyadri, Kuvempu University, Shankarghatta, for his support.

I take this opportunity to thank Dr. N. Rajeshwari, Head of the Department of Botany and Seed Technology, Sahyadri Science College (Auto), Kuvempu University, Shimoga, for her kind co-operation.
during the research period and being a constant support and encouraging me throughout the study.

I would like express my thanks to Prof. Siddaramappa. B. R., Principal, Sahyadri Science College (Auto), Kuvempu University, Shimoga, for the kind co operation I have received in the college during the course of the research.

I am indebted to Dr.T.K.Prabhakara shetty, Director of Research and Dr.V.V.Bellawadi, Associate Director of Research, Mudigere, University of Agricultural Sciences, Bangalore, for providing necessary facilities to carryout the present investigation.

I wish to express my thanks to Dr.T.B.Anilkumar, Professor(Rtd.), Dr.Y.M.Somasekhara, Associate Professor and Dr. S.S. Madhukeshwar, Department of Plant pathology and all the teaching and supporting staff of the Department of Seed technology and Botany who have helped me in one way or the other during the course of investigation.
I also wish to express my deep sense of gratitude to my wife, parents, Father-in-law and Mother-in-law, brothers and sisters who stood by me as a source of inspiration to complete this piece of work.

Lastly, I wish to thank to Project Director, DRR, Hyderabad for encouraging conducting research at Ponnampet, Coorg District.

I thank one and all who are responsible directly or indirectly in encouraging me to take up the research study and successfully completing it in time.

Place: Ponnampet
