I express my sincerest gratitude to my supervisor Dr. Ajmer Singh (Arjuna awardee) Director sports, Panjab University, Chandigarh, whose constructive suggestions and consistent guidance enabled me to accomplish the hard task of completing the present study.

Words fail me to thank Dr. Jagtar Singh Gill, Head Department of Physical Education Panjab Engineering College, Chandigarh and Mrs. and Dr. R. S. Brar, Head Department of Physical Education, Government College Sector 46, Chandigarh for their willing cooperation and encouragement to move forward for the completion of this research project.

Words are inadequate for Mrs. Harmit Kaur, Principal, Ramgarhia Girls College, Ludhiana and Mrs. Rajeshwarpal Kaur Lecturer in Physical Education for always inspiring me to achieve higher goals.

Thanks are due to the Heads of Institutions, and Teachers of Physical Education who helped in furnishing and collection of data.

My sincere thanks are also to the subjects who lent their cooperation, as without their help the study would not have been possible.

I express my deep regards to Dr. Dalvinder Brar for inspiration and encouragement. I am also thankful to Mrs. Jaswinder Kaur programmer, for computerizing the data and giving the final shape to this research project. Last but not the least my thanks are also to Mr. Karamjit Singh Brar, my husband, daughter Jasdeep and son Khushdeep for lot of patience, perseverance and incessant motivation extended to me throughout the period of research project.
