Acknowledgements

Synthetic chemists often define their achievements in terms of the number of natural products they have synthesized or the number of novel reactions they have developed. Yet, I realize that my greatest achievements have been the professional and personal relationships I have developed that have got me to this stage in life. So, it is with tremendous gratitude that I write these acknowledgements to show my appreciation to some of the people who have helped me throughout the years. I am grateful to my guide, Dr. Pradeep Kumar (Head, Division of Organic Chemistry) not only for the unwavering support and freedom in the choice of my research and the execution of my own ideas, but also for his competent guidance and advice when my ideas failed. I will never forget his encouraging words and patience when my motivation was at a low. I preserve an everlasting gratitude for him.

No thanks can be enough to acknowledge the endless encouragement, care and support which I have had from Dr. Avalokiteswar Sen and his family (Madam and sister, Shruti) and Swami Sarvapremananda (Saibal Maharaj, Ramakrishna Mission Vidyamandira, Belur Math) and Bamapada Das Sir (ex-Head, Salkia Hindu High School, Unit-2). Their constant encouragement helped me in pursuing the Ph. D and made me achieve the goal. Once again, my very special thanks to them from the bottom of my heart.

My sincere thanks goes to Dr. Ganesh Pandey (former Head, OCD), Dr. N. N. Joshi, Dr. D. S. Reddy, Dr. M. Sashidhar, Dr. S.P. Chavan, Dr. Santosh Mhaske, Dr. M. Muthukrishnan, Dr. Ashish Bhattacharya, Dr. Monisha Fernandes, Dr. A. T. Biju, Dr. Pradip Maity, Dr. Amitava Das, Dr. Utpal Das, Dr. R. Kontham, Dr. Nitin Patil, Dr. Dhiman Sarkar, Dr. Sayam Sengupta, Dr. Rahul Banerjee, Dr. Saky S. Sen, Dr. Sayan Bagchi, Dr. Arup Rath, Dr. Neelanjana Sengupta, Dr. (Mrs.) P. Pawar and Mrs. Mary Joseph for their help during the course of this work. I extend my thanks to the technical and official staff of NCL for their assistance.

Help from the spectroscopy and mass groups is gratefully acknowledged. I sincerely thank Dr. Rajmohanan, Dinesh, Rohini, Kavya, Pramod, Sreedevi, Dr. Shanta
Kumari and Mr. Swapnil for their kind co-operation. Support from OCD office staff, Catherine Madam, Thangaraji, Rannowde and Fernandes is also acknowledged.

They have played an important role in making me who I am, and will be guiding lights in all my future endeavors.

Chowdhury, Dr. Anand Harbindu, Dr. Ankush Bhise, Dr. Namrata Dwivedi, Dr. Ruchi Jain, Dr. Eshwara Begari and Dr. Sandeep Shindhe from whom I have learnt a great deal of chemistry and together with their achievements, are a source of inspiration to me. I would also like to thank my labmates, Brijesh, Nookaraju, Ravi, Arjun, Shruti, Jayant, Chandani, Kiran, Poonam, Sunil, Madhukar, Trupti, Nilesh, Jignesh and Shrikant and Summer fellows, Amit, Jagajeet and Dheeraj for maintaining a warm and cheerful atmosphere in the lab.

My stay in NCL has been memorable because of my friends - Ravi Jangir, Tamboli, Sumantada, Roopa Di, Nirmal, Deabrata da, Arijitda, Chini, Anupam, Tamas, Manik, Anup, late Agnimitra, Kanak, Patida, Analda, Saikat, Arpan, Chandan, Kakada, Prtithvi, Soumen De, Soumen Das, Prasenjit, Sankha, Laxmiprasad, Kaushik dey, Santigopal, Anirban, Basudav, Saibal Bera, Saibal Bhowmik, Manjoor, Arunava, Hridesh, Suman, Bittu, Somsuvra, Arjun, Indra, Sandeepan, Sanjukta, Pranay, Jaga, Ramkrishna, subhrashish, Tamal, Tapas, Debu, Prnav, Arya, Abhijit, Shiba, Sutanu, Subha, Anagh, Chakadola, Raju, Bahusaheb, Atul, T.Rajesh, Sachin ……… the list goes on.

I would like to thank all my childhood friends, Victor, Anup, Raju, Niloy and Bapan. Over the years, they have always been there to support me and they have taught me the true meaning of friendship.

It is impossible to express my sense of gratitude for my family, father (Baba), Mother (Maa), Brother (Bhai), grand parents (Dadubhai, Dida, Thakuma), uncle (Sanokaku, Chotokaku, Mama, Meso), and aunts (Chotomasi, Sejomasi, Sanomasi), in
mere words. Whatever I am and whatever I will be in future is because of their enormous blessings, hard work, commitments to my ambitions and their selfless sacrifices. It was their single minded pursuit for the cause of my education that gave me the strength and will continue to guide my future. Although this appreciation is insufficient, I preserve an everlasting gratitude to them. Words fall short to thank my brothers Santanu, Mahim and my sister, Bubu, Megha, Beauty for their never ending encouragement and support. I am indeed indebted to other close family members, Borda, Chotda, Late Jethu and Jethima and my special and best friend, Dr. Mousumi for their love and support at tough times. They brought a great deal of happiness to my life. They deserve this Ph.D as much as I do.

This page would be incomplete without the mention of one of the best persons I have ever met in my life - Dr. V. Paralikar, for holding my hand during the toughest times of my Ph.D career. Thank you Sir, thanks for everything you have done for me.

I thank Director, CSIR-National Chemical Laboratory, Pune for providing infrastructural facilities to complete my work successfully. I am also thankful to CSIR, New Delhi for the financial assistance in the form of fellowship.

At last but not the least, I thank whole heartedly, the omnipotent God, the illimitable superior spirit, who reveals himself in the slight details I am able to perceive with my frail and feeble mind.
