ACKNOWLEDGEMENT

I am deeply indebted to Dr (Mrs) Nayeemunnisa, Lecturer, Department of Zoology, Bangalore University, Bangalore, for her scholarly advice, sagacious guidance at every stage and healthy criticisms during the course of present investigation. She went beyond the duties of a guide in encouraging me at every step. I gratefully acknowledge her generosity.

I owe a sincere debt of gratitude to the late Professor K. Pampapathri Rao, (the then Head of the Department of Zoology, Bangalore University, Bangalore) for giving me timely inspiration, in suggesting the problem and for his kind encouragement which is unforgettable to me.

I thank Dr. A.R. Kasturi Bai, Head of the Department of Zoology, Bangalore University, Bangalore for the facilities to conduct the work.

Sincere thanks are due to Miss. Jayshree C. and Mrs. Nalini U.P. for their kind cooperation and moral support given to me in times of need. I like to thank Mr. Venkatesh Prasad P. and Mr. Nagraj J.S. for their kind help.
