ACKNOWLEDGEMENTS

The task of writing and presenting the present thesis has been the result of co-operation that came my way in abundant measure from many quarters. First of all, I wish to express my sincere appreciation and gratitude to Shri G.S. Sandhu, Reader, Department of Physical Education, Panjab University, Chandigarh for providing me an opportunity to work on this project and facilities extended to me in carrying out the same successfully. I am highly indebted to him for his constant inspiration, goal-oriented encouragement, valuable suggestions, constructive criticism of the manuscript and valuable guidance which he extended during the entire period of research.

My sincere thanks are due to Shri D.S. Toor, Chairman, Department of Physical Education, Panjab University, Chandigarh who has all through been very kind and helpful.

I am also thankful to Professor J.N. Joshi, Department of Education, Panjab University, Chandigarh and S. Lakhvinder Singh, Reader, Department of Psychology, Panjab University, Chandigarh, for their generous help at various stages of the study.

Special thanks are extended to Dr. S.N. Sharma, Lecturer, Department of Physical Education, Panjab University
Chandigarh, who helped me and offered many excellent suggestions. He deserves a meritorious citation for his help and co-operation in conducting the study.

I would be failing in my duty if I do not hasten to express my profound sense of indebtedness to Sarvshri N.S. Mann, K.R. Sharma, M.S. Dalai, S.N. Syal, A.S. Bhatti, S.S. Gill - lecturers of the Department of Physical Education, Panjab University, Chandigarh, for their valuable guidance.

Thanks are due to the Principals/Headmasters and Physical Education teachers of respective schools for their co-operation and help extended for the collection of data.

Heartfelt thanks are due to my Godmother Mrs. Bhagwanti, Uncle Shri B.S. Chauhan, R.S. Thakur, elder brother, Shri Sukh Ram, Shri R.L. Jendev, Distt. Youth Services and Sports Officer, Solan and my colleagues for their suggestions in formulation of the study in their individual areas of expertise.

Sincere thanks are also due to the staff of the Computer Centre, Panjab University, Chandigarh in general and Mr. Harish Khosla in particular for their co-operation.

I am deeply grateful to the Library Staff of the Physical Education Department, Panjab University, Chandigarh for their timely assistance.
I have no words to formally acknowledge the contribution of my friends Sarvshri Pervender, Sukhi, K.L. Chauhan, Rajeev, Yogender, Chanderpal, Anjana, Sunita, Meera, Harpreet, Kusum, Annu, Leela, Rama, Mahima for their co-operation.

Shri Trilochan Singh deserves hearty thanks for his care and attention in typing this dissertation.

Research scholar would be pleased to place on record her appreciation for the school sports and non-sports girls of various districts of Himachal Pradesh without whose co-operation, enthusiasm and sincerity, the endeavour could not have been completed.

Last but not the least I have made extensive use of other famous authors' work. This has been done to ensure contemporary and catholic opinion. I am grateful to my parents and other members of the family who have encouraged and inspired me to go in for this thesis.
