ACKNOWLEDGEMENTS

The author is deeply indebted to Dr J.N. Joshi, Professor of Education, Panjab University, Chandigarh, for his able and readily accessible guidance and unstinted help in the completion of this work. His erudite scholarship and professional competence coupled with resourcefulness and generosity have always enthused in me a missionary zeal to work.

Thanks are also due to Dr (Mrs) B.K. Saini, Chairman, Department of Education, Panjab University, Chandigarh, for providing adequate facilities for research at the department.

The author expresses her deep sense of gratitude towards Dr S.S. Lishk for his sincere encouragements and limitless interest coupled with psycho-mathematical discussions which accelerated the process of completion of this work.

Thanks are also due to Dr S.S. Grewal and Dr V.B. Mathur for valuable discussions, and to Principals and staff of Government Inservice Training Centres, Patiala and Jalandhar and teachers of various schools located in Patiala and Jalandhar Divisions for their active cooperation.

The author is highly obliged to her father Amar Singh for his kind blessings and to her son Rocky for his patience during all this period.

Thanks are also due to numerous scholars whose works have proved to be useful in the preparation of this work.

My humble regards to God Almighty!
