LIST OF GRAPHS

Graph 4.1 Request Strategies used by the AENSs for situations 1-4.........................96
Graph 4.2 Request Strategies used by the YUEFLLs for situations 1-4.....................97
Graph 4.3 Group-wise directness level between AENSS and YUEFLLs in situation 1.................................................................99
Graph 4.4 Group-wise directness level between AENSs & YUEFLLs in situation 2...............................................................................................101
Graph 4.5 Group-wise directness level between AENSs & YUEFLLs in situation 3...............................................................................................103
Graph 4.6 Group-wise directness level between AENSs & YUEFLLs in situation 4..............................................................................................104
Graph 4.7 Request strategies used by the AENSs for situations 5-8......................106
Graph 4.8 Request strategies used by the YUEFLLs for situations 5-8.................108
Graph 4.9 Group-wise directness level between AENSS and YUEFLLs in situation 5...............................................................................................109
Graph 4.10 Group-wise directness level between AENSs and YUEFLLs in situation 6...............................................................................................111
Graph 4.11 Group-wise directness level between AENSs and YUEFLLs in situation 7...............................................................................................112
Graph 4.12 Group-wise directness level between AENSs and YUEFLLs in situation 8...............................................................................................114
Graph 4.13 Request strategies used by the AENSs for situations 9-12.................115
Graph 4.14 Request strategies used by the YUEFLLs for situations 9-12.................116
Graph 4.15 Group-wise directness level between the AENSs & YUEFLLs in situation 9...............................................................................................119
Graph 4.16 Group-wise directness level between the AENSs & YUEFLLs in situation 10.........................................................................................120
Graph 4.17 Group-wise directness level between the AENSs & YUEFLLs in situation 11.........................................................................................122
Graph 4.18 Group-wise directness level between the AENSs & YUEFLLs in situation 12.........................................................................................124
Graph 4.19 Kinds of motivations to learn English....................................................146
Graph 4.20 Language skills and their degrees of difficulty (from easier to difficult).........................................................................................148
Graph 4.21 Rank-wise degree of speaking difficulty (from easier to difficult)............149
Graph 4.22 Rank-wise degree of listening difficulty (from easier to difficult).............151
Graph 4.23 Rank-wise degree of reading difficulty (from easier to difficult).........152
Graph 4.24 Rank-wise degree of writing difficulty (from easier to difficult).........154
Graph 4.25: Rank-wise degree of grammar difficulty (from easier to difficult)......155
Graph 4.26 Rank-wise degree of translation difficulty (from easier to difficult)....157
Graph: 4.27 Level-wise distributions of classroom credit-hours
        over language, linguistics, literature and requirement courses...............161
