

LIST OF TABLES

S.No	Description	Page No.
TABLE-3.1	Mean Sub-scale Intercorrelations within each dimension	107
TABLE 3.2	Coefficient of r between first and second administration of all sub-scales	108
Table 3.3	Showing Item Location of Different Scales of PARI (Mother)	110
Table 3.4	For Mothers PARI	113
Table 3.5	School-wise Distribution of Sample	118
Table 4.1	Mean, S.D. Skewness and Kurtosis of Score distribution of Emotional Maturity of students of IX Class of the Schedule Caste Working and Non-Working Mothers (Total Sample	128
Table 4.2	Mean, S.D. Skewness and Kurtosis of Score distribution of Social Maturity of students of IX Class of the Schedule Caste Working and Non-Working Mothers (Total Sample)	129
Table 4.3	Mean, S.D. Skewness and Kurtosis of Score distribution of Parental Attitude (Mother's) of students of IX Class of the Schedule Caste Working and Non-Working (Total Sample	130
Table 4.4	Mean, S.D. Skewness and Kurtosis of Score distribution of Socio- Economic- Status of students of IX Class of the Schedule Caste Working and Non-Working Mothers (Total Sample	131
Table 4.5	t-Ratio Between Students' Emotional Maturity of Schedule Caste Working and Non-Working Mothers(Total sample)	133

S.No	Description	Page No.
Table 4.6	t–Ratio Between Students’ Emotional Maturity of Rural Schedule Caste Working and Non – Working Mothers.	134
Table 4.7	t–Ratio Between Students’ Emotional Maturity of Schedule Caste Urban Working and Non – Working Mothers	136
Table 4.8	t–Ratio Between Students’ Emotional Maturity of (Boys & Girls of Rural & Urban area) Schedule Caste Working and Non – Working Mothers	138
Table 4.9	Mean Scores on Emotional Maturity of Students of Schedule Caste Working and Non-Working Mothers’ of Different Socio-Economic- Status	141
Table 4.10	Summary of 2x3 ANOVA on Mean Scores on Emotional Maturity of Schedule Caste Working and Non-Working Mothers of High, Average and Low- Socio-Economic Status	143
Table 4.11	t- ratios for the Difference in Mean Scores of Emotional Maturity for High , Average and Low Socio-Economic- Status of Schedule Caste of Mothers of Working and Non-Working Group	146
Table 4.12	Mean Scores on Emotional Maturity of Students of Schedule Caste Working and Non-Working Mothers’ of Different Parental Attitude of Mothers’	148
Table 4.13	Summary of 2x3 ANOVA on Mean Scores on Emotional Maturity of Schedule Caste Working and Non-Working Mothers of High, Medium and Low- Parental Attitude of Mothers’	150

S.No	Description	Page No.
Table 4.14	t- ratios for the Difference in Mean Scores of Emotional Maturity for High , Medium and Low Parental Attitude of Schedule Caste Mothers of Working and Non-Working Group	153
Table 4.15	t-ratio Between Students' Social Maturity of Schedule Caste Working and Non-Working Mothers(Total Sample).	158
Table 4.16	t-Ratio Between Students' Social Maturity of Schedule Caste Rural Working and Non – Working Mothers.	160
Table 4.17	t-Ratio Between Students' Social Maturity of Urban Schedule Caste Working and Non – Working Mothers	162
Table 4.18	t-Ratio Between Students' Social Maturity of (Boys & Girls of Rural & Urban area) Schedule Caste Working And Non – Working Mothers	164
Table 4.19	Mean Scores on Social Maturity of Students of Schedule Caste Working and Non-Working Mothers' of Different Socio-Economic- Status	167
Table 4.20	Summary of 2x3 ANOVA on Mean Scores on Social Maturity of Schedule Caste Working and Non-Working Mothers of High, Average and Low- Socio-Economic Status.	169
Table 4.21	t- ratios for the Difference in Mean Scores of Social Maturity for High , Average and Low Socio-Economic-Status of Schedule Caste Mothers of Working and Non-Working Group	172

S.No	Description	Page No.
Table 4.22	Mean Scores on Social Maturity of Students of Schedule Caste Working and Non-Working Mothers' of Different Parental Attitude	174
Table 4.23	Summary of 2x3 ANOVA on Mean Scores on Social Maturity of Schedule Caste Working and Non-Working Mothers of High, Medium and Low- Parental Attitude of Mothers'	176
Table 4.24	t- ratios for the Difference in Mean Scores of Social Maturity for High , Medium and Low Parental Attitude of Schedule Caste Mothers of Working and Non-Working Group	179
Table 5.1.	School-wise Distribution of Sample	210
