ACKNOWLEDGEMENTS

I take this opportunity to express my heartiest gratitude to my esteemed and learned supervisor, Prof. (Mrs.) Vidhu Mohan. The inspiring and scholastic guidance given by her was indeed, of great help. The encouragement given by her at every stage helped me to complete the research work. I thank her for sparing her valuable time to guide me.

I am grateful to the Indian Council of Social Science Research, New Delhi, for awarding me one years' 'Short term fellowship', from April 1987 to March 1988.

I thank all the members of my family for their help and encouragement. Special thanks are due to my mother for her love and emotional support and also for assisting me in her own sweet possible ways. I cannot express my gratitude and feelings for her in mere words. Thanks are also due to my sister, Jatinder Jit for her valuable assistance.

I wish to thank Mr. A.S. Sodhi, my husband, for all the possible help provided to me before and after marriage. His emotional support and cooperation helped me to see through the hard times.

I humbly acknowledge the help given by my friends in scale construction and data collection. Special thanks are
due to Anuradha Uberoi for her valuable suggestions.

I thank Mr. Anil of the Computer Centre, Panjab University, Chandigarh for his cooperation at various stages of computation of the research work. I also thank Ms. Devki of M/s Harbans Reprographic Aid for her patience in typing the thesis.
