LIST OF TABLES

Table No. Title Page

1.1 Number of Students Enrolled in 1975, 1977 & 1980.................................11
1.2 Number of Teaching Hours per Subject in General Education..................16
1.3 Number of Students, Schools & Classes for Kindergarten, Primary, Guidance Cycle & Secondary stage in the Kerman Province & Kerman City, during 1986-87......................20
1.4 Varimian Rotation Factor Solution in Samrong Pengnus' Study..................46
1.5 Varimax Rotated Factor Solution..................48
4.1 Mean, Standard Deviation, Standard Error of Mean, Standard Error of Standard Deviation & Coefficient of Variance..................286
4.2 Correlation Matrix..............................288
4.3 Standard Error of Correlation..................289
4.4 Class Interval, Frequency, Cumulative Frequency, Percentage Frequency & Percentage Cumulative Frequency for the variable of Leadership Behaviour...........291
4.5 Class Interval, Frequency, Cumulative Frequency, Percentage Frequency & Percentage Cumulative Frequency for the variable of Self Concept.......................293
4.6 Class Interval, Frequency, Cumulative Frequency, Percentage Frequency & Percentage Cumulative Frequency for the variable of Organizational Climate...............295
4.7 Percentile, Skewness & Kurtosis................298
4.8 Summary Table of the Analysis of Variance for 2x2 Factorial Experiment........301
