ACKNOWLEDGEMENT

I would like to first give thanks to God for giving me the strength and wisdom to complete this Ph.D. thesis work. I would like to express my sincere gratitude to Dr. S. V. Patil for his support and continued help towards the successful completion of this Ph.D. thesis work. I feel this thesis is an expression of the hard work carried out under his guidance. The name Dr. Vishwas B. Gaikwad needs a very special attention in the entire process of my research carrier. He not only extended the administrative and infrastructural support for this work but motivated me in achieving the targets with sincerity and honesty. He has always encouraged me with his words and actions, remarks and reactions. I thanks to our principal Dr. D. M. Dhondev for infrastructural support for research.

I'd like to thank my family and friends for their love and support. I like to especially thank my friend for his continued motivation and support.

I am grateful to University Grants Commission (UGC) and Council of scientific and Industrial Research (CSIR) New Delhi for awarding the Junior Research Fellowship for present work. Thank you to members of the department of chemistry who made me feel a part of the “chemistry” family. My special thanks to all my research colleagues Mr. Nilesh Patil, Mr. Kirankumar Gosavi, Mr.Keshao Mahale, Mr. Arun Bhagare, Mrs. Sunita Chaudhari, Mr. Aware, Dr. Shivraj Patil, Dr. Deepak Shelar, Dr. Someshwar Deshmukh, Dr. Santosh Shinde, Mr. Sachin Gangurde, Dr. Prashant Nikam, Mr. Shrikant Kanwade, Mr. Ghansham Jadhav, Dr. sharad Gaikwad for their co-operation during my experimental work in laboratory.

I would like to offer an overwhelming thanks to Management Nashik District Maratha Vidya Prasarak Samaj, Nashik, late Dr. V. N. Pawar and Mrs. Nilimatai Pawar, Sarchitnis Maratha Vidya Prasarak Samaj Nashik, for giving me chance to do my research work in the Organic Chemistry Research Centre, Department of Chemistry, K. T. H. M. College, Nashik-422002.

I shall always recall with affection the kind co-operation and valuable suggestions of Dr Balsubramaniyam, Dr. A.S.Burungale, Mr. R.Y.Darkunde, Dr. N.P.Argade, Dr. V. D. Bobade, Dr. A. V. Borhade, Dr. M. N. Jachak, Dr.R.B.Toche, Dr. V. J. Medhane, Dr.
N.D.Gaikwad, Dr.J.S.Aher, Prof.B.M.Padwal, Mrs. Sujata Magdum, Dr. A.D.Bholay and Dr.S.D.Jadhav, Dr. Milind Jadhav, Dr.Amol Kategaonkar, Dr. Sharad Pasale who helped me in all respect through the useful discussion during my research project. I acknowledge Shri. Rajendra Deshmukh, Mr.Ravira Phatke, Mr. Appa Kadam, Mr. Vinod Deshmukh for helping me all time to scan IR, $^1$H, $^{13}$C NMR spectra and elemental analysis.

I express my sincere thanks to parents for their valuable co-operation and inspirations throughout my research project. My special thanks to all my friends Amol, Vilas, Ganesh, Rajesh, Sachin, Mahesh, Raviraj, Appasaheb, Kishor, Anantkumar, Ajay, Pralhad, Sopan, Pravin, Neetu, Priya, Yogita, Vaishu for their help and encouragement during my research work.

In life we always need a person who would hold the light upon correct path and that was helded for me by my beloved brother Mukesh, sisters Mrs. Manisha, Mrs. Sarita and brothers-in-law Mr. Ankush Gaikwad and Mr. Arvind Shinde, who have been a constant source of encouragement for me. I must also mention my feelings towards my nice Mrs. Radha, Dnyaneshwer, Yogesh and nephews Aishwarya, Monika, Dattatray and Arti for their love and supportive participation.

I invariably feel short of words to express my sincere thanks to my parents (Tai and Appa) whose efforts have brought me to this stage. who always inspired me and provided constant support me in my decisions and whose blessings made the journey worth the effort.
