Acknowledgement

I express my deep sense of gratitude to Dr. M. B. Shivanna, Reader in Applied Botany, Kuvempu University for his valuable guidance during the course of the present study. His suggestions, pertinent discussions and critical comments were of great value in carrying out the present work. I am deeply indebted to him for his moral support, advice, and encouragement.

My sincere thanks to Dr. M. Krishnappa, Professor and Chairman, Dept. of Applied Botany, Kuvempu University for providing an opportunity to conduct the research work in the department and for his suggestions during the course of my work.

It gives me immense pleasure to thank Dr. Balakrishna Gowda, Associate Professor of Botany, Dept. Of Forestry and Environmental Science, University of Agricultural Sciences, GKV VK campus, Bangalore for valuable guidance and moral support and advice during entire period of my research work.

I take this opportunity to thank Dr. C. B. S. Dutt, Deputy Director, IGBP, ISRO, Bangalore for providing working ground at the National Remote Sensing Agency, Hyderabad and inculcating the research ideas in my mind and also for his timely guidance and advice.

I thank, Director NRSA, Hyderabad and Dean, IIRS, Dehradun for providing me a research grant to carry out my work in the field of remote sensing and GIS.

I thank Dr. M. S. R. Murthy, Head, FED, NRSA, Hyderabad for his guidance during the initial period of my research work. I also thank to Mr. Rajashekar, Scientist, FED, NRSA for his help to learn the advanced computing techniques and the basics of remote sensing and GIS. I express my sincere thanks to the scientists in the Forestry and Ecology Division, NRSA for their cooperation during my work and also I thank to the research staff, colleagues, Mr. A. Giriraj, Ramachandraprasad and Pandeyan and friends in NRSA for their direct and indirect help. Mr. Giriraj is specially acknowledged herewith for his continued help to carry out my work.

I thank Dr. M. D. Rajanna, Associate Professor, UAS, GKV VK for his support during my work. My sincere thanks to Dr. K. Chandrika, Dr. Pradeep, N., Dr. C. Haishi, Mrs. V. C. Kirana, Dr. Sudha, Dr. Srinivasulu,
Dr. Vijay, Dr. Venugopal. The help rendered by Pradeep from the beginning of the research work are specially acknowledged herewith. I also thank to Mr. Gopal, Mr. B. Nagaraj, Mr. Venkataraju, Mr. Devaraj and Mr. Ranjish for their cooperation during my work. I express my sincere thanks to Mr. G. Nagaraj, Senior Gardner, UAS, GVK for his help and cooperation during the field work.

I also thank to Dr. A. N. Balakrishna, Associate professor, Department of Microbiology, UAS, GVK for his timely and constructive comments on the research work. I thank to Dr. Lakshmipathy and Mr. Shankar for their cooperation.

I thank to Mr. Prakash, Mr. Mallikarjuna, Mr. Raghavendra, Mr. Deepak and other research colleagues in the department of Applied Botany, Kuvempu University for timely help. I also express my sincere thanks to Dr. Y. L. Krishnamurthy, Dr. S. R. Krishnamurthy, Dr. Rajanayak and Mrs. Parinith Mahishi for their cooperation.

I also thank to Mr. Sampth kumar, K. K., Scientist, Phyto-mico Research Lab, Nanjangud for his moral support and cooperation in each and every step of my research work.

I take this opportunity to thank Madam Pushpavathi, Teacher, Government Higher Primary Scholl, Holekoppa, Madam Sharada, Teacher, Government High School, Sringeri, Dr. Radhakrishna Rao, Lecturer, Botany department and Dr. G. K. Bhat, Lecture, Department of Zoology, JCBM College Sringeri for their help to learn the subject science in general and Botany in particular.

I also thank to my friends for direct and indirect help during my research work.

I am highly great full to my family members for their immense cooperation and moral support without which this work would not have been possible. The moral support given by my brother-in-law, Mr. M. P. Thimmappaiah is greatly acknowledged herewith.

I would like to thank my wife Mrs. Sahana for her constant cooperation and also to baby Akila.

(A. N. SRINGESWARA)
