ACKNOWLEDGEMENT

The sense of contentment and elation that accompanies the successful completion of my project would be incomplete without mentioning those who helped me to accomplish my task.

I am deeply indebted to **Dr. A.V. Pradeep Kumar**, Professor and Head, Dept. of Civil Engineering, J.N.N.C.E, Shimoga whose constant guidance, encouragement, valuable suggestions and for his keen involvement throughout this research work which were of immense help in successful completion of this research work.

I would like express my sincere gratitude to **Dr. A.V. Subramanyam**, former Principal for his valuable suggestions, encouragement and timely help extended throughout this research work which were of immense help in successful completion of this research work.

I wish to express my sincere gratitude to Principal **Dr. Srinivas Rao Kunte**, for the precious primeval suggestions and timely help extended to me to carry out this research work.

It is my privilege to express my heart-felt thanks to the Management of **Dr. T.M.A. Pai foundation**, Manipal for giving me an opportunity to undergo the Ph.D programme.

I would like express my sincere gratitude to **Mr. K. Balakrishna Rao**, Selection Grade Lecturer and **Mr. Narendra Babu C.G.** and **Muthanna K.M.** former M.Tech (Structural Engineering) Students, Dept. of Civil Engineering, Manipal Institute of Technology (A Constituent Institute of Manipal University), Manipal for their involvement and interaction during the course of this research work.

It is indeed a great pleasure to express my deep indebtedness to **Mr. P. Srinivasan**, Senior Manager-Marketing, The Associated Cement Companies Ltd., Mumbai and **Mr. B.S. Biradar**, Manager, CSC, The Associated Cement Companies Ltd., Pune for their encouragement, motivation and timely help without which this research work could not have been completed.

I wish to record my deep sense of gratitude to Dr. C.S. Vishwanatha, Chief Consulting Engineer, Torsteel Research Foundation in India, Bangalore for his encouragement, guidance and support extended during the course of this research work.

My heart-felt thanks to Mr. R. Nagendra, Technical Director and Mr. Raghunandan V. Kadaba, Senior Design Engineer, CIVIL-AID Technoclinic Pvt. Ltd., Torsteel Research Foundation in India, Bangalore for their whole hearted support and effort during the course of this research work.

I wish to record my deep sense of gratitude to my beloved parents, brothers, sisters for their constant encouragement, guidance and moral support extended to me during the course of this research work which were of immense help in successful completion of this research work.

I am extremely grateful to my wife Mrs. G. S. Mamatha Prasad, Teacher, Sri Narayana Guru English Medium School, Padubelle, Udupi for inspiration and encouragement throughout the research work. Without her support in spite of inconvenience caused to her, it would have been a dream to complete this research work.

My special thanks are due to my elder sister Mrs. Sowbhagya P.S., Head Mistress, Kanaka Vidya Samsthe and my brother-in-law Mr. S.V. Prabhakar, Lecturer, Jayaprakash Narayan College, Miss. Shwetha S. P. and Miss. Ranjitha S. P., Shimoga for their constant encouragement and co-operation, which were of immense help for the successful completion of this research work.

I am thankful to the faculty members of Dept. of Civil Engineering, J. N. N. College Engineering, Shimoga for their timely help and encouragement throughout the course of this research work.

Finally I take this opportunity to thank my friends and all those who helped me directly or indirectly towards the successful completion of this research work.

RAGHUPRASAD P. S.
