ACKNOWLEDGEMENT

It is my great pleasure and privilege to express my sincerest and heartfelt gratitude to my esteemed supervisor Dr. Sanjay Trehan, Reader, Department of Chemistry, Panjab University, Chandigarh for his outstanding and invaluable guidance, stimulating ideas, a leading motivation, keen interest and tremendous cooperation and the most is his benevolent affection throughout the tenure of my research work.

I am also thankful to my co-supervisor Prof. R. D. Anand, Professor, Department of Chemistry, Panjab University, Chandigarh for his helpful suggestions.

I am also thankful to Prof. Ramesh Kapoor, Chairman, Prof. S. K. Vasisht, Prof. S. D. Sharma and Prof. B. M. Deb, (Ex-Chairmen), Department of Chemistry, Panjab university, Chandigarh for providing me the requisite laboratory facilities.

I sincerely thank Dr. Kamal Nain Singh and Prof. S. S. Bari, Department of Chemistry, Panjab university, Chandigarh for their timely guidance and suggestions.

I express my sincere thanks and regards to my seniors Nancy, Soma Ghosh, Gurmeet Kaur Nanda and Sandeep Kanwar for providing me a helpful, cooperative, suggestive and learning atmosphere saturated with moral support. To my friends Manmohan Chhibber, Manoj Bali, Rajiv Kapoor and Virender Singh for their support and providing a pleasurable company, I will always be thankful.

My special thanks also go to Mr. Jaginder Singh and his staff for providing me necessary library facilities. I am also thankful to Mr. Avtar Singh, CIL, Panjab University for recording spectral data.

I thank Dr. R. Rajagopal, President and Prof. Javed Iqbal, Distinguished Scientist, Discovery Research, Dr. Reddy’s Laboratories (DRL), Hyderabad for giving me an opportunity to work in well equipped laboratories.

I pay my sincere regards and thanks to Dr. M. Takhi, Dr. N. Selvakumar, Dr. Jagattaran Das and Dr. D. Srinivas Reddy for their skilful ideas, suggestions, guidance and their positive attitude towards my research work.
Acknowledgement

I also appreciate the help extended by the analytical department of DRL, especially Dr. Vyas, Vasu Dev and Sreekanth for spectral records.

I am thankful to Dr. Anima and my friends Gurpreet Singh, Gagandeep Kaur, Muni Kumar, Nirvesh, Shastri, Santosh Patel, Sikha, Trideep, Pankaj, Kamal, Chandrasekhar, Sai Baba, Malar Azhagan, Govind, Bala, and Shiv Kumar of DRL for their coordinated help and giving me a humorous company. I also acknowledge the HR department of DRL and thank Mr. Mukund and Ms. S. Jayalakshmi for providing me all the facilities during my stay period at DRL.

The words at my command are inadequate both in the form and spirit while expressing my regards and emotions for my parents for their good wishes, constant encouragement and inspiration. I also express respect and regards to the elders of my village for giving me advises during my childhood period to follow the path of well educated people having a glowing excellence in life.

Financial Assistance from DST and CSIR, New Delhi is highly acknowledged.

Finally I thank almighty whose blessings enabled me to ascend another step of my destination by accomplishing this piece of work.

Nishan Singh
