ACKNOWLEDGEMENT

A journey is easier when you travel together. Interdependence is certainly more valuable than independence. This thesis is the result of work where I have been accompanied and supported by many people.

First of all I thank “Almighty” for being there all the time when I needed his blessing.

I acknowledge my sincere and deep gratitude to my esteemed supervisor Prof J P Singh Joorel for sailing me through this work with keen interest. His commitment, dedication and professional expertise that help me in research work will remain a leading light for me forever. It has been a matter of great honour to work under his dexterous supervision who with his healthy suggestion constructive criticism and constant encouragement chiseled my raw mind and equipped me with logic and techniques to rationalize my stay ideas.

I am equally grateful to Prof Rahul Gupta, Head, Department of Statistics for his generosity and all possible help that he bestowed upon me wherever required. I am also thankful to Dr Pawan Kumar, Dr Parmil Kumar and Dr V K Shivgotra (Faculty members of Department of Statistics) for their support, encouragement, valuable help and guidance as and when required during the course of work. I am also thankful to all the non teaching staff of this department for their cooperation and help.

It will be unpardonable if I don’t acknowledge the esteemed encouragement and help giving to me by my senior research colleagues and my group member, namely, Sunny Babber, Neha Chahal, Pawan Sharma, Rahul, and Ruhi.
I owe a word of thanks to all my friends viz., Kamaldeep Sambral, Pawan Kumar Sharma, Anshu Katal, Pardeep Manhas, Abhishek Gupta, Ankush Abrol, Shamsher Lal, Uday Jasrotia, Dr Vishal Singh Pathania, Dr Aroop, Dr Vikram Sahi, Dr Rajinder Singh, Dr Vivek Mahajan, Dr Anu Rishi Goswami, Dr Vivek Sharma, Pankaj Gupta, Satnam Singh and Krishan Kumar to engine me up forever at every pace of life.

I cannot help myself to have words of gratitude for Dr Vikas Sharma for his unlimited help, timely cooperation and constant encouragement.

Finally, I would like to thank my family. My greatest gratitude goes to my family for their unflagging love and support throughout of my life. This stage of academic career could only be reached with the blessing of my parents. I feel short of words when I put on record the efforts of my father Shri Surjeet Singh, my mother Smt Rano Devi, sisters Aml Radha, Shashi Bharti and brother in laws Ajay Manhas and Jaginder Singh in supporting me throughout my life with all the hardships they have faced for me. My heartfelt regards to them, without whom this day would not have been possible. I dedicated this piece of work to them as a token of love and affection.

It would be dishonest on my part not to name my nephew Abhay Partap Singh and niece Rishima and Anvi and sister Harsha for their support and sharing some lonely moments.

I sincerely hope those not mentioned would forgive me that they have not been forgotten. To all of them I say THANKS from core of my heart.
