Acknowledgements

Foremost, I am heartily thankful to my research supervisor, Dr. V. Jayathirtha Rao and co-guide Dr. K. Bhanu Prakash, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the problem. It would have been difficult to achieve this goal without their able support and invaluable advices. Apart from his guidance, he has given me the important things of life, managerial skills, built confidence and lifted my spirits, which cannot be described in words. The intensive training that I have imbibed during Ph.D. would be substantially beneficial for my academic career. I also like to thank the whole family of Dr. Jayathirtha Rao and Dr. Bhanuprakash.

I would like to thank CSIR, New Delhi for financial support in the form of Research Fellowship. I take this opportunity to thank Dr. J. S. Yadav, Director IICT for providing facilities to carry out my research work. I am also thankful to Dr. V. V. Narayana Reddy (Head of the org-II division) and Dr. M. Laksñimikantham (Head, II&PC Division), for their cooperation.

I am thankful to Dr. A. C. Kunwar and his group for their kind help in recording NMR spectra and Dr. M. Vairamani and his group for providing Mass spectra. I acknowledge the help received from the staff of Organic II division, Stores, Library, Glass blowing, Computer section and all other departments of IICT.

I pay rich tribute to Prof. B. Kesava Rao, Head, Department of Chemistry, BOS, Prof. B. Syama Sundar, Dean, Faculty of Sciences, Prof. P.V.V. Satyanarayana, Former head and other faculty members of Acharya Nagarjuna University, Nagarjuna Nagar, Guntur, for giving opportunity of my Ph.D programme in the University.

I would like to express my deepest sense of thanks to rest of my thesis collaborators Dr. S. Palaniappan, Dr. U. S. N. Murthy, Dr. B. Sridhar, Dr. R. Srinivas, Dr. Prabakar, Dr. Giribabu of IICT and Dr. Narayana Rao of central university. I gratefully acknowledge the help rendered by Dr. B. Bal Reddy, Dr. K. Srinivas, Dr. Ch. Ramesh, Mr. Ch. Suryanarayana, Mr. Samson, Mr. Krishna, Mr. Yadaiah and all other scientific and non-scientific staff members of Organic-II division.

I am very much thankful to my intermediate chemistry teacher Dr. S. Venkatadri garu whose teaching inspired me to choose the chemistry as my favorite subject. I would like to extend my thanks to all my Teachers, Lecturers and Professors of School, College and University respectively for their teaching.

It’s a pleasure to thank those who made this thesis possible my senior colleagues Dr. Ch. Srinivas, Dr. P. Narender, Dr. Janaki Ram Reddy, Dr. B. Gangadasu, Dr. U. Srinivas, Dr. V. Venkat reddy, Dr. P. Arun kumar, Dr. Ravinder,
Bharath, Anand, I would like to thank my colleagues Dr. Sunday, Dr. Mathew, Sai pavan, & Parthasarathi. I would like to show my gratitude to Mallesh, Naveen, Siva, Srihari, Narender, Mahender, Ramesh, Ramkumar & Raghavachary & Santhoshi. It is my immense pleasure to express my gratitude to members of “Computational Chemistry Group”, Dr. K. Srinivas, Dr. Raghu, Dr. Sanyasi, Dr. Chaitanya, Dr. Prabhakar, Ananth, Kola Srinivas, Avinash, Anup, Ramesh Kumar, T. Srinivas, Paramasivam, Priyanka, Janaki, Balaiah, Shravani and my special thanks to Dr. L K. Joshi for his support, and also pharmacy members, Nagesh, Mahesh, Mrs. Vijaya, Rakesh soni, Hamsini & Jayachandra. I am thankful to many colleagues to support me in IICT, Viswanadh, Murthy, Chandu, Srujan, Rakesh, Prabhakar, Pranay, Sridhar, Shivaleela, Sangeeta, Poornima, Satya, Bhavani.

I owe my loving thanks to my friends who supported and encouraged in all the moments, Lakshmi prasanna, padmini, Malleswari, suresh, venkatrao, chinamaya.

I am very much indebted to my grandfather late Sri K. Veeranjanayulu garu and grandmother Rupavathi who has suggested me to write CSIR-JRF exam which ultimately opened a path to my research career in the field of chemistry.

I would like to express my sincere thanks to my mother-in-law K. Mangayamma, and to my husband Dr. K. Yesudas who has supported me in completing my Ph.D.

Last but not the least I would like to thank my beloved parents C. Sarasajaksha and C. Jhansi Lakshmi, for their constant support throughout my life. Their Love and prayers have brought me this far. I am also indebted to my sisters Lakshmi devi, Lalitha devi, and brother-in-laws K. Panduranga Rao, K. Venkat Rao, who always encouraged and supported me to achieve the highest degree and I would also thankful to my brother Veerendra who made me spiritually and mentally strong. Thanks to my dearest ever smiling niece Vyshnavi, Poojitha, and nephews Lokesh, Saketh for filling my life with joy and laughter and make me out of stress.

My apologies to all those who have helped me but are not acknowledged.
