ACKNOWLEDGEMENTS

It has been a great pleasure and privilege to conduct the present arduous and time-consuming but precious research, under the supervision of Dr.(Mrs.) Asha Gupta, Professor, Department of Education, Panjab University, Chandigarh whose able and sympathetic guidance, ever-ready and inspiring help coupled with her thorough grasp of the problems enabled me to complete this work. In fact, her help and guidance would ever remain unforgettable.

I also wish to extend my gratitude to Dr. (Mrs.) Tehal Kohli, Chairperson, Department of Education, Panjab University, Chandigarh for providing facilities during the course of present work as chairperson of the department.

To Dr. Anand Bhushan, Professor, Department of Education, Panjab University, Chandigarh, Mr. Siddheshwar Sharma, Acting Principal and Dr.M.L.Jadika, Senior Lecturer, D.M. College of Education, Moga, I am grateful for their suggestions and assistance from time to time.

Acknowledgement and deep appreciation is extended to Principles, teachers and students of schools involved for the course of present work. I express my special thanks to Principal and all the staff members of Govt. Girls Senior Secondary School, Dala (Moga) for their cooperation and help extended to me in innumerable ways during the progress of this research work.

I express my humble and deep gratitude to my father-in-law, Mr. Baldev Krishan Sharma and mother-in-law Mrs. Kanta Sharma who not only encouraged me for this research work but also very magnanimously relieved me of the various household duties and responsibilities during the period of my research work.

I owe my thanks to my father, Mr. Sant Kumar Devgan and mother, Mrs.Vinod Devgan who urged and motivated me for higher studies from my very childhood. I also owe a debt of gratitude to my Aunt, Mrs. Kanchan Sharma for providing me all possible help as and when needed.
I feel I would be failing as a mother if I do not express my affectionate and deep thanks to both my sons, Master Shiraz Sharma and Aditya Sharma who remained almost deprived of their mother for the entire period of this work and without whose indirect co-operation it would have been impossible for me to complete this work.

Let me take this opportunity to acknowledge the immeasurable contribution to my husband, Mr. Rajan Kumar Sharma, in whose invaluable companionship I have grown as a research scholar and has been a source of un-stinted support to me in innumerable ways.

Last, but not least, I cannot forget to mention my thanks to Mr. Mahindroo and Mrs. Saroj for computing data for my study.

My special thanks are due of M/s Kaizen Graphics for typing the thesis with great care and effort.

My sincere thanks to everyone connected with my work in one-way or the other.
