ACKNOWLEDGEMENT

First and foremost, I would like to thank ALMIGHTY GOD whose eternal blessings, divine presence and masterly guidance helped me in completing my doctoral study and making everything fall at the right place.

I pay my deep sense of reverence and gratitude to my esteemed supervisor, Dr. Rajni Dhingra, Dean, Faculty of Science, Professor and Head, P.G. Department of Home Science, University of Jammu, Jammu for her guidance and valuable suggestions which she bestowed on me. It is her meticulous efforts, inspiration, constant encouragement and instinctive corrective measures which gave success and strength to my thoughts and mapped my way to complete this work. Her critical and scholarly approach and an objective outlook have made the research work up to the mark. It is being a wonderful experience to work under her and I am going to treasure it all my life to come. I acknowledge my indebtedness to her that can never be really repaid.

I am thankful to all the respondents who spare their valuable time in providing information, especially children, parents and teachers for being patient while probing information from them. Without their support this piece of research could not see the light of the day.

I have great pleasure to acknowledge my profound gratitude to Prof. Neeru Sharma, P.G. Department of Home Science, University of Jammu, Jammu for her encouragement, guidance and advice. I also extend my special thanks to Dr. Shashi Manhas, Dr. Samridhi Arora and Dr. Sarika Manhas, esteemed faculty members of the P.G. Department of Home Science, University of Jammu, Jammu, for their encouragement, guidance and advice throughout the completion of my work.

I am thankful to all the members of various libraries (NIPCCD, NCERT, Central Library, University of Jammu and Departmental Library of P.G. Department of Home Science, University of Jammu) for their cooperation during the period of my research.
I extend special thanks to all the non-teaching staff members of P.G. Department of Home Science especially the librarian Mrs. Ranjana Kapoor, for help in my research work. A word of thanks to my friend Vineeta Manhas, Lecturer in Government Higher Secondary School Allaha, Jammu, Poonam Bakshi and Sanjeev Sharma (Teachers of Government High School Trilokpur) for providing moral support throughout the study. I shall be failing in my duty not to convey my heartfelt gratitude to all the scholars especially Samruti Raina, Ramandeep Kour, Iesha Sharma, Archana Bhatt, Anupa Sharma, Iffat Ghani and Preeti Gupta for their Cooperation and making the journey enjoyable. Special thanks are due to my parents for their constant undemanding love, understanding, dedication, sacrifice, inspiring guidance and never ending enthusiasm, without which not even single page of my thesis would have been a possibility. Their support during crests and troughs of my life has given me vigour and will to pursue this work. At this time, I express my thanks to my brothers (Kamal Sharma and Vikas Sharma), Sister in law (Manu Sharma), sister (Deepu Sharma) and my niece (Suhani Sharma) respectively for their unconditional love, support and critical suggestions made during various stages of the manuscript and cheering me whatever I felt disheartened. I earnestly think that research is an outcome of teamwork and therefore, many thanks to all the people who have directly or indirectly been involved in this process. I genuinely appreciate their involvement.
