Acknowledgements

Gratitude is a feeling hard to express verbally. Still, I am making an attempt, though unsuccessful, to do the same. Thank God for giving me the vision to unravel the mysteries of life; the wisdom to choose what is right; the courage to stick by my principles; the humility to be sincere.

There are no words to match my gratitude to the pillar of learning, my revered guide, Professor P. D. Sharma, University Institute of Pharmaceutical Sciences, Panjab University, Chandigarh. His sage advice, insightful criticisms, and patient encouragement aided the completion of this thesis in innumerable ways. Above all else, he has shaped my attitude, nurtured me with discipline and light. Thank you Sir for giving me the strength to carry on in spite of all the difficulties, which I came across. You have made me believe in me.

I express my thanks to Prof. T. R. Bhardwaj (Former Chairperson) and Prof. O. P. Katare (Chairperson) for providing the facilities required for my thesis work. I sincerely appreciate all the faculty members of VIPS especially Prof. Karan. I also thank Dr. Tejvir Singh, Department of Chemistry, Panjab University, Chandigarh for his timely & illuminating help that solved the problems regarding my work area.

The unhesitating cooperation of Avtar Singh ji, Mr. Dhruv Dev, Mr. Ravinder, Mr. Kishori Lal, Ms. Ranjit Kaur, Mr. Mangu Lal, Mr. Shadi Lal and P. D. Choudhery (Librarian) is duly acknowledged.

How can I forget to remember my ‘Best Friends’ at this important junction of my life? Govind, Vijay, Sunil, Sandeep, Manu, Bodla, Benu, Neeraj, Dinesh, Amita, Patil, Tirkey, Satyanarayana, Ashwani, Suresh, Gulshan, Shruti, Sumeet, Mamta, Amit Modgil – ‘Thank you’.

Last but not the least, I would like to express my gratitude towards my family for always being supportive for giving me the space & choice to be what I am today. The support and sacrifice of my wife Ramya has gone a long way in bringing this thesis in its present form.

Though I have not named everyone, whose kind help aided in the compilation of this work, gratitude towards them is heart-felt. Thank you everyone, once again.

(Senthil Kumar C.)
