ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Prof. Dr. A. Ramesh for having readily agreed for registering me on part time - Inter disciplinary basis for the Ph.D Research in the Department of Geography, University of Madras. My sincere thanks are due to Prof. Dr. A. Ramesh, the principal guide and Dr. A. N. Sachithanandan, Dean, Faculty of Architecture and Planning, Anna University, who modulated this research throughout and put me in right perspective at every stage of the research. I also wish to thank Dr. N. Sivagnanam, Dr. S. Subbiah, Dr. T. Vasanthakumaran and the staff of Geography Department for their help and support.

The research reported here has been engraved but for the permission granted to me by Chennai Metropolitan Development Authority and Project & Management Group. I am greatly indebted to Thiru Pavan Rama, I.A.S., Secretary, PMG (Project Management Group), Thiru Arun Ramanathan, I.A.S., Thiru M. Madhavan Nambiar, I.A.S., Thiru K. A. Mathew, I.A.S., the Project Directors, who have been the Member-Secretaries, Project Management Group, Tmt. Jayanthi, I.A.S., Vice-Chairperson, Thiru S. A. Subramaniam, I.A.S., Vice-Chairman and Thiru M. F. Farooqui, I.A.S., Member-Secretary, Chennai Metropolitan Development Authority, for their good wishes for the successful completion of the research study.

The study centred around the feed backs of various personnel and associations who have been a great source of information to me. I am very much thankful to all of them and particularly Thiru G. Dattatri, Chief Urban Planner (Rtd.), and Thiru A. Damodaran, Chief Urban Planner (Rtd.), Chennai Metropolitan Development Authority, Indian Institute of Architects (Tamil Nadu Chapter), Institute of Town Planners, India, Tamil Nadu Flat Promoters' Association, Builders Association of India (Southern Centre), Association of licensed surveyors, Institution of Valuers, Tamil Nadu Real Estate Dealers' Association and Consumer Action Group. Also, I gratefully acknowledge the valuable informations and discussions rendered by Institute of Remote Sensing, Anna University and National Remote Sensing Agency, Hyderabad.
My heartfelt thanks are due to my senior and junior colleagues, both technical and non technical in Project Management Group, Chennai Metropolitan Development Authority and local bodies in Chennai Metropolitan Area, who have been a great source of inspiration and support for the successful completion of the study.

I am much obliged to Dr K P Subramanian, (Dr ) C Thangavel, Anna University and Thiru K Mukundan, Town Planner, for their timely help. There are many more whom I come across during the research and helped me without reservations and I take this opportunity to thank them all.

Finally, I owe to my family who patiently stood by me during the entire period of this research work which is dedicated to my father, the inspiring soul behind me.
