ACKNOWLEDGEMENTS

Mere words can never encompass the profound gratitude, I feel towards my esteemed teacher Dr. (Mrs.) Kanwaljit Chopra, Reader in Pharmacology, for her perpetual inspiration, valuable suggestions and constant guidance during the course of this research work.

I am grateful to Dr. S.K. Kulkarni, Professor of Pharmacology, University Institute of Pharmaceutical Sciences, Panjab University, Chandigarh for his encouragement and intellectual inspiration throughout the study.

I wish to express my sincerest thanks to Professor O.P. Katare, Chairman and Prof. T.R. Bhardwaj, Ex-Chairman, University Institute of Pharmaceutical Sciences, Panjab University, Chandigarh for providing the necessary facilities to carry out the project.

I also sincerely acknowledge the technical assistance provided by Ms. S. Gupta and to the pharmacology laboratory staff; Mr. Raj Kumar, Mr. Rajinder Singh, Mr. Swaroop Singh, Mr. Sham Singh and Mr. Sahib Singh for their help during the course of this work.

My special gratitude to Dr. Devinder Singh for his sincere and valuable suggestions and unselfish help whenever needed during the entire course of my work.

I express my sincere thanks and appreciation to Dr. Roshan Lal, Dr. P.S. Naidu, Dr. Amanpreet Singh, Dr. Anjaneylu, Dr. Suresh, Mr. Naveen Tirkey, and my juniors for their affection and encouragement has been a great morale booster to me in this work.

I gratefully acknowledge the cooperation of my friends and colleagues Jai, Amit and others.

I cannot measure the contribution of my would be wife, Taruna Arora, Mummy, Papa, Didi, Jijaji, my brother Munish, and my Uncles whose blessings, love, perpetual support and encouragement enabled me to reach to this stage of my life.

I would be failing in my duties shouldn’t I solemnly thank my experimental animals for their responses.

(Vikas Chander)
