ACKNOWLEDGEMENTS

It is of great pleasure for me to express my deep sense of gratitude to Prof. Rajeev Patnaik, Department of Geology (C.A.S.) Panjab University Chandigarh, for his kind, inspiring and able guidance, and constant motivation throughout the entire course of my research. My words will fail in expressing my deep gratitude and regards for him.

I am greatly indebted to Prof. Ashok Sahni, Department of Geology, Panjab University, Chandigarh for his continuous encouragement and support rendered towards me till the completion of this thesis inspite of his hectic schedule. I am also grateful to him for his paternal affection towards me. Inspiration I got from Dr. O.N. Bhargava (Rtd. Director, GSI, Chandigarh) and Prof. S.B. Bhatia (Rtd. Prof., Department of Geology, Panjab University) is highly acknowledged.

I am very thankful to Prof. R.S. Loyal, Chairperson of Department of Geology (C.A.S.) for providing me all the necessary facilities required during the completion of this thesis. I would also like to thank Prof. Ravindra Kumar, Prof. K.P. Singh, Prof. A. D. Ahluwalia and Prof. Gill (all retired Chairpersons of Department of Geology) for providing me their valuable helps and assistance during their tenure of Chairmanship in this Department.

I owe my sincere thanks to Prof. Naval Kishore, Prof. Naresh Tuli, Dr. Naveen Chaudhary, Dr. Gurmeet Kaur, Dr. Ashu Khosla, Dr. Parampreet Kaur of the Department of Geology, P.U. for their encouragement toward the completion of my thesis.

I take this opportunity to acknowledge my gratitude to Profs. M. Takai and Thaung-Htike for their valuable help in identification the Miocene suid *Tetraconodon intermedius*. I am thankful to Dr. Dana J. Ehret and Dr. Gordon Hubbel, University of Florida, U.S.A. for their valuable helps towards the identification of some of my shark specimens. I am equally thankful to Dr. Kishor Kumar, Wadia Institute of Himalayan Geology, Dehradun for providing me valuable literature and suggestions in the identification of selachians. Valuable help from Shri. Asit Mohanty and Shri. Diptiranjan Patanayak during the field works is highly acknowledged.

I am thankful to Dr. Parth Chauhan, Research Associate, Stone Age Institute, U.S.A. for his help and encouragement towards the completion of my research work. I feel obliged to all the
members of non-teaching staff of Department of Geology (C.A.S.) for their co-operation during the course of my Ph. D.

I am also thankful to Prof. Anil Kumar Gupta (Director, Wadia Institute of Himalayan Geology, Dehradun) for giving me the permission for XRD and EDX analysis of my samples. Guidance from Dr. N.K. Saini (Scientist ‘F’), Dr. N. Suresh (Scientist ‘D’) and all the laboratory staffs of Wadia Institute of Himalayan Geology, Dehradun are highly thankful.

I would like to convey special thanks to my seniors and colleagues namely, Shri. Inder Singh (Director, GSI, Training Institute and STM, Chandigarh), Shri. R.S. Rana (Director, TC, GSI, Chandigarh), Shri. Joginder Singh (Director, NGCM, GSI, Chandigarh), Shri. Brij Kumar (Director and HOO, GSI, Chandigarh), Shri. Damudor Singh (Asst. Prof. Thoubal College, Manipur), Dr. Premjit Singh (Asst. Prof. Mizoram University), Dr. Birla Singh (Asst. Prof. Mizoram University), Dr. N. Inaoba Singh, Dr. Nandalal Singh (Asst. Prof. Department of Physical Education, Panjab University), Dr. Sharat Singh (Asst. Prof. Mizoram University), Shri. Ram Rattan Singh (Geologist, GSI, Jaipur), Shri. Ramesh Laishram (Geologist, GSI, Chandigarh), Shri. Lalit Mohan (Geologist, GSI, Jaipur), Smt. Satinder Dhillon (Sr. Geologist, GSI, Chandigarh), Shri. Laheo Haokip (Geologist, GSI, Shillong), Smt. Nivedita Sarkar (Geologist, GSI, Chandigarh), Shri. Shyam Sundar (Geologist, GSI, Chandigarh), Shri. Tarsem Kumar (Geologist, GSI, Chandigarh), Shri. Deep Raj Thapa (Geologist, GSI, Chandigarh), Dr. Surendra Prasad Rout (Geologist, GSI, Chandigarh), Shri. Giridhari Das (Geologist, GSI, Chandigarh), Mr. Chirantan Bhagwati (Geologist, GSI, Chandigarh), Mr. Tamogno Ghosh (Geologist, GSI, Chandigarh), Smt. Vipina P.V. (Geologist, GSI, Chandigarh), Smt. Mayukhi Ghose (Geologist, GSI, Chandigarh), Mr. K. Lakshmanan (Geologist, GSI, Chandigarh). Their support is indeed highly thankful.

I am highly obliged to my friends and brothers namely, Shri. S. Ranabir Singh, Shri. Y. Khogen Singh, Shri. S. Netajee Meetei, Shri. Vinay Kumar, Shri. Longjam Gandhi, M. Sanjeev Singh, Shri. R.K. Herojit, Shri. R. K. Meiraba, Mr. Kh. Prakash Anthony, Mr. Ksh. Rajkumar, Mr. Devdutta, Mr. Sanjit, Mr. Premananda, Mr. Penpai, Mr. Premjit and Mr. Pradeep for their cooperation and help in various capacity during the completion of my Ph. D.
I owe my gratitude to my uncle Shri. Th. Nando Singh, Shri. I. Mangi Singh and Shri. M. Budh Meetei for rendering me valuable suggestions and moral support since my childhood.

I acknowledge the financial support which I got as an award of Junior Research Fellowship (JRF) and Senior Research Fellowship (SRF) from the University Grant Commission, New Delhi to carry out this research work. Without these fellowships, it would have been impossible for me to carry out my Ph.D.

I am also highly thankful to my Department Geological Survey of India (Ministry of Mines Government of India) for giving me the permission to continue my Ph.D. while in service.

Last but not the least, words will elude me in expressing my feelings and regards to my family members especially to my father (Shri. K. Gourachandra Sharma), my mother (Smt. K Shakhitombi Devi), my sisters (Smt. K. Kalpana Devi, K. Surjamani Devi and K. Gangapat Sharma), and my brothers (K. Joy Sharma, K. Bangshidhari Sharma and K. Sharatchandri Sharma), who always have been a source of strength and inspiration in completion of this research work. I owe special thanks to my wife Smt. H. Ragini Devi for her inspiration, support both morally and emotionally during the tough time of finalization of this thesis. It would have been impossible to complete this work without their sacrifice and cooperation. They deserve warm and greater thanks indeed.
