List of Figures xxvi-xxxii

Chapter 1: Introduction 1-68
1.1. Higher Education in India 1
1.2. The Government initiatives to higher education 4
1.3. Development of LIS Education 6
1.4. Technology Impact on LIS Curriculum 7
1.5. Beginning of Knowledge Era in 21st century 9
1.6. Nomenclature of the Discipline 10
1.7. Changed Nomenclature of LIS courses but unchanged Course Contents 12
1.8. Why Library and Information is a Science 13
1.9. Library and Information Science as a Discipline 14
1.10. Library Education 16
1.11. LIS Education in India 17
1.12. LIS Education in the Pre-Independence Era (1910-1947) 17
1.13 LIS Education in Post-Independence Era 22
1.14. Library and Information Science as a Profession 24
1.15. Manpower Needs of Emerging Digital Era 27
1.16. Changing Role of the Librarian 28
1.17. What is Curriculum? 29
1.18. Development of Curriculum 30
1.19. Efforts to Revise LIS Curriculum 30
1.19.1 Significant efforts towards design and development of Model Curriculum 30
1.20. UGC Model Curriculum 2001 Influenced by Two Factors 35
1.21. Contribution of Professional Associations 35

x

1.22. Development of Library and Information Science Course Content: A History 38
1.22.1. BLIS Course Contents 43
1.22.2. MLIS Course Contents 44
1.22.3. MLIS (Integrated) Course Contents 44
1.22.4. The UGC Model Curriculum’s Recommendations 45
1.23. Choice Based Credit System (CBCS) for LIS Education 45
1.24. Changing needs of LIS Curriculum 46
1.25. Some Issues in UGC Model Curriculum Development 47
1.26. Model Curriculum 48
1.27. Problems in Curriculum Design and Development 49
1.28. Statement of the Problem 49
1.29. Research Objectives 50
1.30. Hypotheses 50
1.31. Significance of the Research 51
1.32. Research Methodology 51
1.32.1. Sample 52
1.32.2 Sampling Technique 53
1.32.3 Reliability 54
1.32.4 Validity 54
1.32.5 Data Analysis 55
1.32.6 Construction of Questionnaires 55
1.32.7. Pretesting / Pilot Study 55
1.33. Limitations of the Study 56
1.34. Definitions of the Research Terms Used 57
1.35. Structure of the Thesis and Chapters Outline 59

Reference
61

Chapter 2: Literature Review 69-114
2.1. Development of LIS education & its multidisciplinary nature 70
2.2. Internationalization of LIS Curricula 73
2.3. Course Contents 74
2.4. Model Curriculum 81
2.5. LIS Professional Skills 84
2.6. Management skills 85
2.7. Market demands 86
2.8. Manpower 87
2.9. Need to Revise/design LIS Curriculum 87
2.10. LIS Curriculum Developments in Digital Era 89
2.11. LIS Curriculum Development: New Courses 90
2.12. Curriculum Development Programs 90
2.13. Accreditation and Standardization of LIS Education 94
2.14. Information Literacy 96
2.15. Impact of Technology on Future Course Contents 97
2.16. Nomenclature 100
2.17. LIS Collaboration 100
2.18. Changing Role of Librarians 101

103

Chapter 3: Emerging Market Requirements of Skills and Competencies for Library and Information Science Professional
115-171
3.1. Changes in Libraries 115
3.2. Changing Role of Library professionals 116
5.1.4. Headship of LIS School 346
5.1.5. Headship Rotation Period 347
5.1.6. Faculty Association of the LIS Schools 348
5.1.7. LIS School’s Publications 349
5.2. Faculty Positions 350
5.2.1. UGC New Norms for Teachers Students Ratio 350
5.2.3. Research Scholars 356
5.3. LIS Courses 364
5.3.2. LIS Course through Distance Mode 366
5.3.4. Areas where new courses need to be developed 371
5.3.5. Demands of a Digital Era 374
5.3.6. Recommendations for the Digital Era 375
5.4. LIS Curricula Model 378
5.4.1. Adopting a Model LIS Curriculum 378
5.4.2. UGC model curriculum 379
5.4.2.1. Changes Required in the UGC Model Curriculum 380
5.4.3. Opinion on Departmental Syllabus 381
5.4.4. Challenges in LIS Education 382
5.4.5. Revision of LIS Curriculum 384
5.4.7. MLIS Two Years Integrated Programme 387
5.4.7.1. Course Duration 388
5.4.7.2. Library and Information Science Course Pattern 390
5.4.8. Skills and Competencies 391
5.4.9. Centralized Agency to Monitor or Update the Curriculum 395
5.4.10. Curriculum Uniformity 396
5.4.11. Information Needs and Curriculum 398
5.4.11.2 Issues of Accreditation of LIS Courses in India 401
5.4.13. Manpower for Knowledge Management 402
5.5. Infrastructures 404
5.5.1. Physical facilities 404
5.5.2. Teaching Equipments 407
5.5.3. Computer Hardware 408
5.5.4. Library Automation Software 410
5.5.5. Classification schemes taught 411
5.5.6. Cataloguing Codes in Curricula 413
5.5.7.1. Reasons for non-availability of Adequate Infrastructure at LIS department 415
5.6. Budget 415
5.7. Teaching Methods 418
5.7.2. Other Suggested Methods of Teaching 420
5.7.3. Problems in Conducting Teaching Programme 421
5.7.4.1. In-service Training and Refresher Courses Attended by the faculty 422
5.7.5.1. Subject Areas and Methods Recommended for Continuing Education
Chapter 6: Views of Teachers of LIS Schools on LIS Education and LIS Curricula

6.1. Problems in LIS Education 438
6.2. Obstacles to Regular Revision of LIS Curricula 441
6.3. Problems in Conducting Teaching Programme 443
6.4. Lacunae in UGC Model Curriculum 444
6.5. Current Curricula of the Departmental Curriculum 446
6.5.1 Changes Suggested for Departmental Curricula 447
6.6. Neglected Dimensions of LIS in the Department 448
   6.6.1. Related to Teachers 448
   6.6.2. Related to Supporting Staff 448
   6.6.3. Related to Teaching Standards 449
   6.6.4. Related to Teaching Methods 449
   6.6.5. Related to Training Facilities for Teachers 449
   6.6.6. Related to Funding 450
   6.6.7. Related to Infrastructure 450
   6.6.8. Related to Standard Course Contents 450
6.7. Faculty in which LIS Department to be placed 451
   6.7.1. Nomenclature of LIS Education Recommended 452
6.8. Medium of Instruction 454
6.9. Curriculum and Market Demands 455
   6.9.1. Lacunae in LIS Department Curriculum 456
6.10. Areas of New Courses need to be developed 457
6.11. Existing LIS Courses and Digital Era 459
   6.11.1. What Needs to be done for Digital Era 460
6.12. Infrastructure Facilities at LIS Department 462
   6.12.1. Reasons for Non-availability of Adequate Infrastructure at LIS Department 463
6.13. LIS Schools Curricular Changes not attuned to Fast Changes in IT Landscape 464
6.14. Flexible and Need Based LIS Curricula 467
6.15. Manpower for Knowledge Management 468
6.2. Suggestions 469
   6.2.1. Accreditation and Standardization 469
   6.2.1.1 Issues of Accreditation of LIS Courses in India 470
6.2.2. Steps to be taken for Modernization of LIS Education 471
6.2.3. Suggestions for Updating Existing Courses 472
6.2.4. Changes Proposed in LIS Curricula 474
6.2.4.1 BLIS Level 474
6.2.4.2. MLIS Level 475
6.2.4.3. M. Phil Level 477
6.2.5. Continuing Education 477
6.2.5.1. Subject Areas and Methods Recommended for Continuing Education 479
6.2.6. Thrust areas of Continuing Education Programme to be run in LIS 480
6.2.7. Teaching Methods 481
6.2.8. Other Methods of Teaching Suggested 484
6.2.9. In-service Training and Refresher Courses 485
6.2.10. LIS Distance Education 487
6.2.10.1. Level of LIS Distance Education 488
6.2.10.2. Reasons for LIS not being through Distance Mode 489
6.2.11. LIS Education Integrated Course 490
6.2.11.1. Course Duration 491
6.2.11.2. Course Pattern 492
6.3. LIS Schools are facing the Challenges 493
6.3.1.1. Related to Finance 493
6.3.1.2. Related to Manpower 494
6.3.1.3. Related to Infrastructure 494
6.3.1.4. Related to Continuing Education of Faculty 494
6.3.1.5. Related to Factors Influencing Distance Mode 495
6.3.1.6. Related to Admission Policy 495
6.3.1.7. Related to Curriculum Revision Policy 495
6.3.1.8. Related to Accreditation Agency 496
6.3.1.9. Related to Need for a Policy at National Level 496
6.3.1.10. Related to Internationalization of LIS Education 496
6.3.2. Availability of ICT Infrastructure at LIS schools 496
6.3.3. Growth of LIS schools and Distance Education 498
6.3.3.1. Arguments in favor of mushrooming growth of LIS schools in India and their imparting education through distance mode 499
6.3.4. Current Challenges in Delivering LIS Education 500
6.3.5. Current Challenges Facing Existing LIS Curriculum 501

Chapter 7: Views of Students of LIS Schools on LIS Education and LIS Curricula 512-577
7.1.1. Distribution of Responses 513
7.1.2. Level of Knowledge in Handling Computers 515
7.2. Requirements of Digital Era 516
7.2.1. Digital Era Needs 517
7.3. Courses on Digital Library or Related Areas 521
7.3.1. Reasons for not offering Courses in Digital Library 522
7.4. Changes and Utility of Curriculum 524
7.5. Areas of Development for New Courses 527
7.6. UGC Model Curriculum 529
7.6.1 Changes Needed in UGC Model Curriculum 530
7.7. Opinion on Departmental Syllabus 531
7.8. Challenges in LIS Education 533
7.9. Revision of LIS Curriculum 534
7.9.1. Curriculum Revision Period 535
7.9.2. Curriculum Change Level 536
7.10. Medium of Instruction 537
7.11. Integrated Course 539
7.11.1. LIS Course Duration 540
7.11.2. Course Pattern 541
7.12. Change of LIS Nomenclature 542
7.12.1. Nomenclature Recommended 543
7.13. LIS Course Nomenclature’s Matching Course Contents of LIS Departments 545
7.14. Information Literacy 546
7.15. Skills and Competencies 547
7.16. LIS Curriculum Uniformity 550
7.16.1. Level of uniformity 551
7.17. Matching of LIS Curricular Changes 552
7.17.1. Reasons for not matching the Curricular Changes 553
7.17.2. Issues of Accreditation of LIS courses in India 554
7.18. Flexible and need based LIS curricula 554
7.19. Manpower for Knowledge Management 556
7.20. Library Automation Software Knowledge 557
7.21. Infrastructure Facilities 558
7.21.1. Reasons for Non-availability of Adequate Infrastructure at LIS department 560
7.22. Teaching Methods 561
7.23. LIS through Distance Mode 564
7.23.1. Level of LIS through Distance 565
7.23.2. Reasons for LIS not being through Distance Mode 566
7.24. Existing Courses need to be updated 569
7.25. Suggestions for Design and Development of Model LIS Curricula 572

References 577

Chapter 8: Recommendations, Suggestions and Conclusion 578-655
8.1. Objectives and their achievement 578
8.2. Validity of Hypotheses Tested 601
8.3. Major Findings and Conclusions 604
8.3.1. Heads/Chairmen Responses 610
8.3.2. Teachers Responses 617
8.3.3. Students Responses 633
8.4. Recommendations/Suggestions 635
  8.4.1. Heads/Chairmen Suggestions/Recommendations 636
  8.4.1.1. Heads/Chairmen Suggestions and Recommendations Received Through Personal Interview 637
8.4.2. Teachers Suggestions/Recommendations 643
  8.4.2.1. Some Suggestions/recommendations of Teachers received through personal interviews 645
8.4.3. Students Suggestions and Recommendations 649
8.5. Policy Implications 653
8.6. Further Implications of the Research 655
