ACKNOWLEDGEMENTS

Successful completion of task is often due less to any innate talent of an individual than to the fact that he has been fortunate in the individuals with whom he has been associated. I have been singularly blessed in this regard and owe much to my esteemed venerable supervisor Prof. (Dr.) R. K. Bhanwra, Department of Botany, Panjab University, Chandigarh. I pulled courage to attempt this document only because of the unreserved encouragement, wilful and esteemed supervision, unending zeal, constructive and helpful suggestions, unflinching support, valuable criticism and generous appreciation have been a constant source of immense inspiration which enabled me in my endeavours to successfully complete this work.

I am highly thankful to Prof. (Dr.) I.S. Dua, Chairman, Department of Botany, Panjab University, Chandigarh and his predecessor, Prof (Dr.) M.L. Sharma for providing me the available laboratory facilities and kind cooperation.

My sincere thanks to Prof. (Dr.) S.P. Vij, an internationally renowned orchidologist, for his valuable suggestions and constructive criticism.

I owe an immense debt of gratitude to Dr. Harsh Nayyar, Dr. Promila Pathak, Dr. Kamaljeet Singh and Dr. A.N. Singh, Department of Botany, Panjab University whose valuable suggestions, encouraging behaviour, moral support, cooperation, care and well wishes have brought me to this level.

My heartiest thanks to Mr. Kuldeep Singh, Jagdeep Verma, Jahid, Vijay Kannan, Sartaj Singh, Prince Thakur and Shilpa for their timely support and valuable suggestions. I have no words for Mr. Sunil Dutt, without whom this thesis would not have taken the present shape.

I would like to extend my sincere thanks to all my friends, colleagues and seniors who have helped me in various ways especially Dr. Chadha, Dr. Alok, Dr. Dawood, Dr. Ashish, Dr. Vikram, Dr. Lucky, Dr. Surinder, Dr. Jaspreet, Dr. David, Mr. Sunil Verma, Sanjeev Chandel, Manoj Chauhan, Ashwani, Vikas Sharma, Vikas Guleria, Amit, Sanjay, Nitin, Sanjay, Pankaj, Sumit, Prichay, Sandy, Zahid, Hem Chander, Dheeraj, Shailja, Mandeep, Shweta, Geetanjali, Anju and Rekha.
It is my great pleasure to thank my amicable and supportive labmates Dr Sanjeev, Mr. Sandeep Angra, Satwinder, Gurinder, Jyoti and Jeevan for their ever readiness to help and valuable suggestions whether sought for making my tenure in the department a cherished one.

I am highly thankful to Mr. M.L. Shrama, Mr. Mahender, Mr. Navtej, Mr Uttam, Department of CIL and Mr. Sham Parkash, Department of Zoology for their timely help.

My special thanks are due to Dr. Ashish Gupta for his genuine concern, cooperation, generous and unstinted help.

I appreciate the timely help provided by the teaching and non-teaching staff especially Mr. Mewa Singh.

I extend my thanks to the members of Orchid Laboratory for their timely help during the course of my studies.

I wish to thank Guru Graphics for preparation of photographic plates and Ml. Kaizen Graphics for typesetting of this manuscript.

I am expressing my feelings towards my revered parents, elder sister Pinki and younger brother Sanjay Kant whose selfless persuasion, blessings, affection, patience and firm faith has always been a beacon light to me. It was their love, affection, unfailing encouragement and inspiration that have enabled me to come up with all worthy achievements.

All cannot be mentioned but none is forgotten.

Ravi Kant.
